HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2116 DATE: 17/12/2018 HARE: Tail and Jake the Peg
LOCATION: Indooroopilly

New Year's Eve Hash Bash.

There was a medium sized group of 17 brave Hashers that gathered at **Tail's** abode in Indooroopilly to battle the heat for an earlier run so that Hashers could still make their way to whatever NYE party they had to go to. We had some visitors as well that thought that they would sample what BNH3 had to offer. At 4pm, **Jake the Peg** called for everyone to be out the front to give the run/walk instructions for today's run. He said for the walkers to do the runners trail as it was more interesting and he wasn't wrong either. The walkers did 5.1km and ventured through Indooroopilly, Chapel Hill, Kenmore and Fig Tree Pocket before returning home with the runners doing a little bit more. Eventually everyone made it back safe and sound. Stand-in **Hash Cash Boxy** gave the run count (one more than last time) and then the **GM Flower** called **Tail** and **Jake the Peg** forward to face the firing squad.

The **Run Report** as told by **The Mop (visitor)**:

The Mop said that it was interesting especially the slippery stuff. Jake the Peg asked if we could have an interpreter so that we could understand what he said. But we had all had a couple of drinks buy that stage and it is so much easier to understand Scottish when you have alcohol in your system.

Score: 7/10

The **Walk Report** as told by **Shitzu**:

Shitzu said that just as well we didn't catch any snakes out there on the walk because the one that she did see was way too small. Can you please explain this Jake.

Score: 5/10

The **Letterbox Walk Report**: No letterbox report this week.

The **Security Report**: No security report this week.

Total score of 12/20

CHARGES:

Jake the Peg had a charge for **Pith Head**. **Pithy** made it to the drink stop and then went off to follow the trail and returned back after ten minutes because he couldn't find trail. He said he had followed the runners but they went in the opposite direction to him so he simply just got lost.

"He's stupid, he's stupid...."

Pounda had a charge for **Boxy**. It seems that when **Boxy** drove here today he forgot that **Shitzu** was driving home and proceeded to manoeuvre **Shitzu's** car into the tightest car park possible with a 43 stage procedure that **Shitzu** was not going to have a hope in hell of getting the car back out again.

"How dumb is that Hasher in the circle...."

Yakity Yak then had a charge for **Heart Starter**. **Yakity Yak** and **Heart Starter** did a two-day hike last week and after sorting out the logistics of what each other was going to bring on the walk, **Heart Starter** didn't hold up her end of the bargain and forgot to bring the cooking equipment. Cold food for you pair.

The Evidence

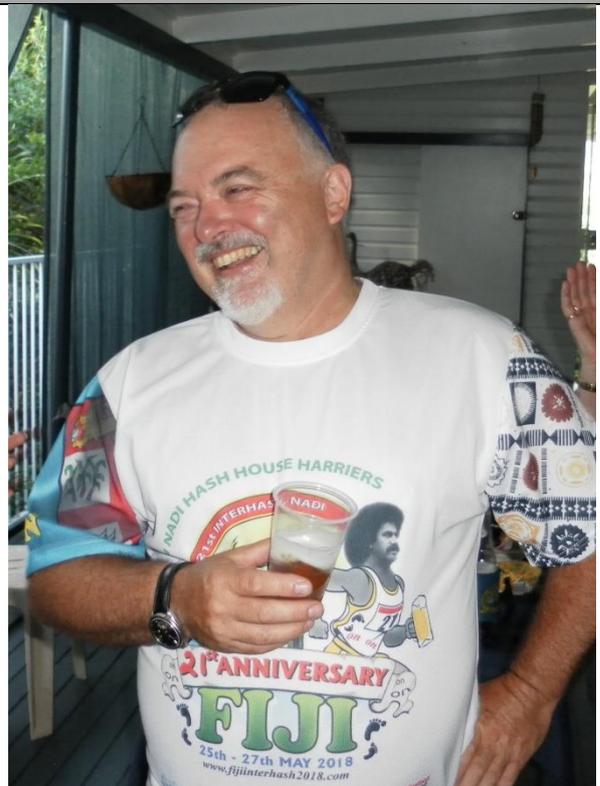

Our Hare's Jake the Peg and Tail.

It was Pickpocket's birthday so Boxy got a proxy.

Pith Head got a little lost.

Apparently, there was sex on the trail and Skid Mark had himself a threesome.

Write yourself a list next time Heart Starter. And when one GM drinks all GM's drink.

EXERCISE FOR PEOPLE OVER 60

Begin by standing on a comfortable surface, where you have plenty of room at each side.

With a 5-lb potato bag in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to reach a full minute, and then relax.

Each day you'll find that you can hold this position for just a bit longer.

After a couple of weeks, move up to 10-lb potato bags. Then try 50-lb potato bags and eventually try to get to where you can lift a 100-lb potato bag in each hand and hold your arms straight for more than a full minute. (I'm at this level).

After you feel confident at that level, put a potato in each bag.

Why men shouldn't write advice columns

Dear John,

I hope you can help me. The other day, I set off for work, leaving my husband in the house watching TV. My car stalled, and then it broke down about a mile down the road, and I had to walk back to get my husband's help. When I got home, I couldn't believe my eyes. He was in our bedroom with the neighbor's daughter!

I am 32, my husband is 34 and the neighbor's daughter is 19. We have been married for 10 years. When I confronted him, he broke down and admitted they had been having an affair for the past six months. He won't go to counseling, and I'm afraid I am a wreck and need advice urgently. Can you please help?

Sincerely, Sheila

Dear Sheila,

A car stalling after being driven a short distance can be caused by a variety of faults with the engine. Start by checking that there is no debris in the fuel line. If it is clear, check the vacuum pipes and hoses on the intake manifold and also check all grounding wires. If none of these approaches solves the problem, it could be that the fuel pump itself is faulty, causing low delivery pressure to the injectors.

I hope this helps,
John
