HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2117 DATE: 7/01/2019 HARE: Boxy and Shitzu
LOCATION: Arana Hills

Boxy's Tribute to Wrong Way Run.

There was a good sized group of Hashers that gathered at **Boxy and Shitzu's** house in Arana Hills to experience **Boxy's** run number 2. **Boxy** was no where to be found so **Shitzu** had to entertain the hordes in his absence. **Boxy** then phoned **Pounda** and gave run instructions to set the group off on trail. At 6.30pm, **Pounda** sent everyone out the front and gave the instructions for tonight's trail. The most noteworthy instruction was that if you come across a marking of WW, then it is a false trail and this was done by **Boxy** as a tribute to **Wrong Way**. In other words you have gone the wrong way, go back and find trail. The walkers did 4.2km with the runners doing a little bit more. Eventually everyone make it back safe and sound, including the short cutting bastards who somehow went on a short cut and got back after the last walker. Stand-in **Hash Cash On Heat** gave the run count and then the **GM Flower** called **Boxy** and **Shitzu** forward to face the firing squad.

The **Run Report** as told by **FIGJAM**:

FIGJAM asked what was it all about? He asked **Boxy** when had he set the run because he clearly forgot to set the other half of it.

Score: 1/10

The **Walk Report** as told by **Overproof**:

Overproof said that it was a magnificent walk.

Score: 10/100

The **Letterbox Walk Report**: There were no lazy letterbox walkers tonight.

The **Security Report** as told by **Beat-a-Root**:

Beat-a-Root said that everything was secure, the doors were locked and while we were off on the run/walk she had dinner and it was bloody beautiful.

Score: 10/10

Total score of 21/120

"Little arrows that you follow...."

HASH RELIGIOUS ARTICLES

Large Appendage: Smooth Ride had this and gave it to **Scrubber**. Because apparently, he is a ho. Or was that just a carryover from Xmas.

"I stuck my head up a billy goats' arse...."

Small Appendage: Pounda had this and gave it to **Killer**. Apparently, **Killer** has been in hospital with a bit of bleeding on the brain. **Pounda** thought that was a bit fucked up, so he gave him the small prick so he could fuck himself up a little more.

"On top of Mt Jihad, there was a young Taliban...."

Scrubber Shirt: Pounda had this and gave it to **Meat Lover**. **Pounda** gave this to **Meat Lover** because he seen him walking off down a pathway through a park that wasn't in the direction of the trail and thought that he was just taking a short cut, so **Pounda** continued on the trail only to find a WW (false trail). Thanks for letting the Hashers behind you know **Meat Lover**.

"It isn't long and it isn't thick...."

Brush (Vagina): Pounda had this and gave it to **Pizza**. We were out on the walk tonight and **Pizza** decided to turn his torch on so that he could see where he was going. It's a pity that it was still daylight **Pizza**. So **Pounda** gave him the brush so that he could clean the shit out of his eyes to see where he was going.

"How dumb is that Hasher in the middle...."

Spit the Dummy Award: Pounda had this and gave it to **Overproof**. It seems that **Overproof** will do anything to get out of running at Hash these days, including getting bitten by a leech while out trail hiking on the weekend.

"Has anybody seen his cock...."

Ass Saver: Flower had this and decided to keep it for another week.

CHARGES:

Flower had a charge for both **Scrubber** and **Overproof**. Before the run there was a conversation between these two, something about broke-back mountain or breaking his back mounting. You will have to ask these pair what it was all about. But when you do ensure that you keep your distance just in-case they try to mount you and break your back as well.

“Why were they born so beautiful...”

Cheesecake had a charge for **Pounda**. It appears that **Pounda** had promised **Cheesecake** that he would go for a bike ride with him on Sunday, but after attending the inaugural Brewery Hash Run on Saturday, he was a little bit under the weather and didn't make it to the bike ride. **Pounda** explained to **Cheesecake** that he needed his beauty sleep.

“Take it your hand Mrs Murphy....”

Hash Joke courtesy of **Scrubber** – **Scrubber** said that he went for a job interview at Farriers and was asked if he was any good at shoeing horses. He said no but he once told a donkey to fuck off. BOOM BOOM

Hash Name: No Hash name explained this week.

The Evidence

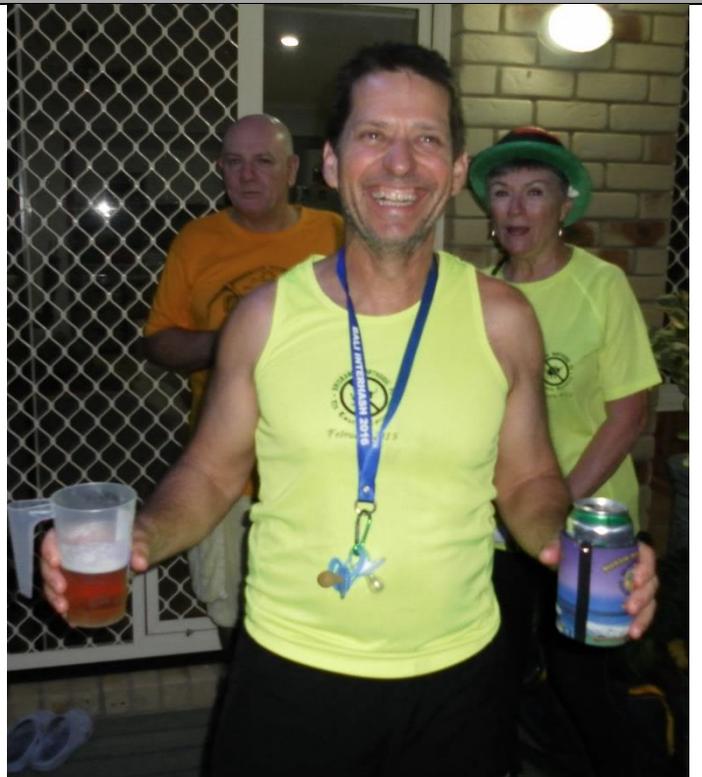

Our Hare's Boxy and Shitzu.

Ho Ho Ho, apparently Scrubber is a Ho.

Killer after his hospital stay needed a little prick to lift his spirits.

Overproof will do anything to get out of a run.

You can leave your light on. But not during daylight at Hash Pizza.

Thanks for the On On call Meat Lover.

The broke-back mounting boys Srubber and Overproof. What happens on the mountain stays on the mounting.

Pounda tries to explain to Cheesecake that he needed his beauty sleep and still does.
