HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2119 DATE: 21/01/2019 HARE: Dog and On Heat
LOCATION: Lawnton

Dog's little creek crossing run.

There was a good sized group of Hashers that gathered at **Dog** and **On Heat's** house in Lawnton as **Dog** came to the rescue to Hare a run that was vacant on the calender. At 6.30pm, **Dog** sent everyone out the front and gave the instructions for tonights trail. **Dog** said that he set a good walk/run tonight and that the letterbox walkers should do the whole walk as they would enjoy themselves. The usual letterbox walkers were a bit wary of this advice, and they had good reason to as well. Anyway we were off on a nice gentle walk around the river until **Dog** decided that we needed to cross that river and that meant getting wet. The walkers did 5.8km with the runners doing a little bit more. Eventually everyone make it back safe and sound, even **Ned** after having a few stern words to some local young fishermen about the weather. Stand-in **Hash Cash Boxy** gave the run count and then the **GM Flower** called **Dog** and **On Heat** forward to walk the plank.

The **Run Report** as told by **Abbo**:

Abbo said that he was so excited about the run that he had wet himself. Very interesting and that they used to do that trail years ago but the water was never that deep. Good trail.

Score: 5/1,000

The **Walk Report** as told by **Mo Blondage (visitor)**:

Mo Blondage said that it was probably one of the best runs that she has been on, even though she has only done ten.

Score: 1/10

The **Letterbox Walk Report** as told by **Smooth Ride**:

Smooth Ride said that they were relieved when they used their intelligence to pick the best course available, and I think they did as they were the only ones that weren't wet when they returned.

Score: 10/10

The **Security Report**: No security report given tonight.

Total score of 16/1,020

"We had joy we had fun...."

HASH RELIGIOUS ARTICLES

Large Appendage: Smooth Ride: This was missing in action with **Scrubber**.

Small Appendage: This was missing in action with **Killer**.

Scrubber Shirt: This was missing in action with **Meat Lover**.

Brush (Vagina): This was missing in action with **Pizza**.

Spit the Dummy Award: Overproof had this and gave it to **Ned**. There was a bit of rubbish on the ground as we exited the river and **Ned** had a very passionate discussion with the young fellas that were fishing about this rubbish.

"Here's to Ned he's true blue...."

Ass Saver: Flower had this and gave it to **Shreddar** for trying to swat a flying bug while doing an impersonation of Nero.

"Has anybody seen his cock...."

Milestone Runs: - Heart Starter (150)

Returnees: - Nil

Visitors/Virgins: - Mo Blondage (from San Diego) and Isaac

Birthdays: - Nil

CHARGES:

FIGJAM had a charge for **Yakity Yak**. After taking her shoes off to do the river crossing and then having to put her shoes back on again, she left one of her socks behind.

"She's the woman who wears the hash shoes...."

Pith Head had a charge for **Boxy**. Something about being bitten on the doddle by a snake and it swelling up. **Mo Blondage** was made to come out and have a drink as well, something about being scared of such snakes.
“Down down down your beer to answer for your crime....”

FIGJAM had a charge for **Ned** for being a media tart again. We think that he has shares in the TV station.
“Last night he stayed at home and masturbated....”

FIGJAM had a charge for **Boxy**. Recently he was spotted at a bar at a sports club interrogating a year 12 student about her age.
“He makes us happy he makes us gay....”

Shreddar had a charge for **Night Owl**. He asked her how many runs she had cum on. No body knows the answer to that one **Shreddar**. Anyway, it appears that **Night Owl** has attended over 50 runs and still doesn't know the words to the Hash songs.
“She's a Harriette and she's alright....”

Pounda then had a charge for **Heart Starter**. Everyone knows that **Heart Starter** is our resident massage therapist and that she has a few Hashers as client, but it seems that she has been taking advantage of our Hasher and charging too much. **Pounda** found an ad in the classifieds for a massage. \$20 for a 60min massage that includes head. Either we are getting charged too much or whoever is giving these massages is ripping themselves off. The jury is out.
“Here's to sister hasher....”

Hash Name: No Hash name explained this week.
