HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

RUN NO: 2120 DATE: 28/01/2019 HARE: Flower
LOCATION: Bridgeman Downs

The GM's run.

There was a good sized group of Hashers that gathered at **Flowers's** house in Bridgeman Downs to experience what the **GM** could muster up. At 6.30pm, **Flower** sent everyone out the front and gave the instructions for tonight's trail. We were off on a nice gentle walk around the streets of Bridgeman Downs with a loop around the block, up over a couple of small hills and before we knew it we were back at home again. Eventually everyone made it back safe and sound. **Hash Cash Boxy** gave the run count and then the **GM Flower** called herself forward to face the music.

The **Run Report** as told by **Jake the Peg**:

Jake said that he thought that the run was exemplary, it was then revealed that Jake had done the walk and that is why he thought the run was exemplary.

Score: 7/10

The **Walk Report**: No walk report was given.

The **Letterbox Walk Report**: No Letterbox report was given.

The **Security Report**: No security report given tonight.

Total score of 7/10

“She’s a Harriette and she’s alright...”
