## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

**RUN NO: 2122 DATE: 11/02/2019 HARE: Scrubber**  
**LOCATION: Ferny Hills**

**Scrubber's, it's on that way way, see you later run.**

There was a good sized group of Hashers that gathered at George Willmore Park in Ferny Hills in anticipation of the fantastic Kai that **Scrubber** always dishes up after the run. And once again we weren't disappointed. At 6.30pm, **Scrubber** called for quiet and gave the instructions for tonight's trail. We were off on what we thought was a nice gentle walk around Ferny Hills but we were soon awoken with a blunt hammer. They don't call this area Ferny Hills because it is flat. The hills came thick and fast. Eventually everyone made it back safe and sound. **Hash Cash Boxy** gave the run count and then the **GM Flower** called **Scrubber** forward to be burnt at the stake for his sins.

The **Run Report** as told by **Ned**:

**Ned** said that it was well marked but there were a few gaps like in **Scrubber's** head. Bloody well done and he was proud of **Scrubber**.

Score: 9/10,000

The **Walk Report** as told by **Semen Stains**:

**Semen Stains** said that she thinks that the cars were parked over the arrows or that a car was used to place down the arrows but other than that it was excellent.

Score: 2/3,000,000

The **Letterbox Walk Report** as told by **Heart Starter**:

**Heart Starter** said that there was some trail involved and that she actually found two arrows in the middle of the road and that she walked straight over the top of them. The truth be known though was that Heart Starter was a letterbox walker tonight because she came late. See Overproof it's not your fault after all.

Score: 10/10

The **Security Report** as given by **Smooth Ride**:

**Smooth Ride** said that they bought the esky's down and that they weren't breached by anyone other than **Killer** and **Ten Fingers**.

Score: 10/10

**Total score of 31/3,010,020**

"We had joy we had fun...."

**Spit the Dummy Award**: This was missing in action with **Shreddar**.

**Ass Saver**: **Killer** had this and gave it to **Heart Starter**, for over achieving and actually finding chalk marks. "She's the woman who wears the Hash shoes...."

**Milestone Runs**: - Nil

**Returnees**: - Nil

**Visitors/Virgins**: - **Dangles** and **Pop Tart**

**Birthdays**: - **Pizza** and **Ned**

#### **CHARGES:**

**Semen Stains** had a charge for **Vampire**. It appears that **Vampire** has a hidden talent as a pole dancer in her spare time. On the walk she managed to swing her hips very well around a bus stop post. "She's a Harriette and she's alright...."

**Night Owl** had a charge for **Boxy**. Something about Harriette's and gaps. "Has anybody seen his cock...."

**Pounda** had a charge for **Boxy**. We were sitting around before the run and **Boxy** was doing some deep probing and we had to tell our new runner **Kelly** to run. We have seen **Boxy's** deep probing before and it isn't pretty and it isn't deep.

"He wanks his crank in the morning...."

There was one drink left and no charges. Step up **Ten Fingers**.

"He thinks the whole world is in his gland...."

A big thank you from **Pounda** and **Beat-a-Root** for all the well wishes that came from Hashers for the passing of **Pounda's** Mum. The funeral was very nice and it means a lot to know that there are good people in Hash and it is very much appreciated.

**Hash Name:** No Hash name explained this week.

# As I get older I realize:

1. I talk to myself, because sometimes I need expert advice.
2. Sometimes I roll my eyes outloud.
3. I don't need anger management, I need people to stop pissing me off.
4. My people skills are just fine. It's my tolerance of idiots that needs work.
5. The biggest lie I tell myself is, "I don't need to write that down, I'll remember it."
6. When I was a child I thought naptime was punishment. Now it's like a mini-vacation.
7. The day the world runs out of wine is just too terrible to think about.
8. Even duct tape can't fix stupid, but it can muffle the sound.
9. Wouldn't it be great if we could put ourselves in the dryer for 10 minutes; come out wrinkle-free and three sizes smaller?
10. "Getting Lucky" means walking into a room and remembering why I'm there.
