## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

**RUN NO: 2122 DATE: 18/02/2019 HARE: Heart Starter and Overproof  
 LOCATION: Petrie**

### The North Pine Dam run.

There was a very good sized group of Hashers that gathered at Youngs Crossing swimming hole on the North Pine River at Petrie in anticipation of some virgin trail and a dip in the water. At 6.35pm (what time does the 6.30pm run start?), **Overproof** called for quiet and gave the instructions for tonight's trail. All I heard was be careful crossing the road and we were off on a nice walk through the streets of Petrie and then on to some trail in the bush. Who doesn't like a bit of bush on the trail. Back out through Old Petrie town for some history lessons from **Dog** (it appears that **Dog** might of been around back in the days of Old Petrie Town) and back through the park beside the river and then back home. Eventually everyone made it back safe and sound. **Hash Cash Boxy** gave the run count and then the **GM Flower**, called **Heart Starter** and **Overproof** forward to face the firing squad (because that is how they did it back in the old days of Petrie town).

The **Run Report** as told by **Abbo**:

**Abbo** said that apart from the trail, the arrows, the regroupings and the checks, it was shit.

Score: 1/100

The **Walk Report** as told by **Paul**:

**Paul** said that some of the arrows were a bit close together and he wasn't sure if he had to call out On On every 1.5m, the arrows were that close together because **Overproof** had a flour marker on the bottom of his walking stick. **Heart Starter** said that he has a walking stick because he is so fucking old. But apart from that it was pretty good.

Score: 3/50

The **Letterbox Walk Report**: There were no slack ass letterbox walkers tonight.

The **Security Report** as given by **Ten Fingers**:

**Ten Fingers** said that he really had nothing to do but to light the mozzie coils and write the names of all his past girlfriends on the picnic table.

Score: No score given.

**Total score of 4/150**

"Well here's to this rooster who shags this hen...."

#### **HASH RELIGIOUS ARTICLES**

**Large Appendage**: This was missing in action with **Scrubber**.

**Small Appendage**: This was missing in action with **Fidel**.

**Scrubber Shirt**: **Shreddar** had this and gave it to **Dog** because some poor bastard out there is now walking in bare feet. (see below charge from **Pounda**)

"There's a skeeter on his peeter, whack it off...."

**Brush (Vagina)**: **FIGJAM** had this and gave it to **Night Owl**. She turned up tonight and started to whinge before she even got out of the car by saying "it's your fault, it's his fault, it's his fucking fault". Normally conversations start with 'hello and how are you'.

"She's the woman who wears the Hash shoes..."

**Spit the Dummy Award**: **Boxy** had this and gave it to **Dog** as a proxy for **G-Spot**, for cracking the shits and going home before the circle tonight.

"He thinks the whole world is in his gland...."

**Ass Saver**: This was missing in action with **Heart Starter**.

**Milestone Runs**: - Nil

**Returns**: - **Chunda**

**Visitors/Virgins**: - **Nokia (Thirsty Hash)**

**Birthdays**: - Nil

## CHARGES:

**Pounda** had a charge for **Dog**. **Pounda** said that he was a bit perplexed and didn't think that he was at Northside Hash, because **Dog** was actually wearing shoes tonight and not sandals. Apparently, there is now a homeless guy walking around with bare feet.

"Why was he born so beautiful...."

**FIGJAM** said that every now and then you get a Hasher that comes out and breaks all the rules. Tonight, we got a pussy whipped Hasher. For the last two weeks the runners got back before the walkers, but not tonight, the Hare was pussy whipped into ensuring that the walkers got back first because his missus was on the walk. Step up **Overproof**.

"He wanks his crank in the morning...."

**Pickpocket** had a charge for **Overproof** as well for not notifying **Cheesecake** of the bit of wire in front of a gate and **Cheesecake** almost decapitated himself.

"He outta be publicly pissed on...."

**Pounda** had a charge for **Sherbet** for upsetting **Tail**. It appears that **Sherbet** went shopping at the same place as **Flower** and didn't let **Tail** know about it as she was wearing the exact same style and colour pants as **Flower**.

"She's the woman who wears the Hash shoes...."

**FIGJAM** had a charge for Captain Obvious, otherwise known as **Your Screwed**. He turned up tonight and with all the other Hashers standing around, said 'is this where Hash is from tonight'.

"How dumb is that Hasher in the middle...."

**Hash Name:** No Hash name explained this week.

**They say that sex is the best form of exercise. Now, correct me if I'm wrong, but 2 minutes and 15 seconds once every 3 months ain't going to shift a beer belly.**

# CAMEL TOWING

**WHEN IT'S WEDGED IN TIGHT  
WE'LL PULL IT OUT!**

He stormed to his wife in the kitchen and announced, "From now on, you need to know that I am the man of this house and my word is Law. You will prepare me a gourmet meal tonight, and when I'm done eating my meal, you will serve me a scrumptious dessert. After dinner, you are going to go upstairs with me and we will have the kind of sex that I want!

Afterwards, you are going to draw me a bath so I can relax. You will wash my back and towel me dry and bring me my robe. Then, you will massage my feet and hands. Then tomorrow, guess who's going to dress me and comb my hair?"

The wife replied, "The fuckin' funeral director would be my first guess."

Jack, a handsome man, walked into a sports bar around 9:58 pm. He sat down next to this blonde at the bar and stared up at the TV... The 10:00 news was on. The news crew was covering a story of a man on a ledge of a large building preparing to jump.

The blonde looked at Jack and said, "Do you think he'll jump?" Jack says, "You know what, I bet he will." The blonde replied, "Well, I bet he won't." Jack placed \$30 on the bar and said, "You're on!"

Just as the blonde placed her money on the bar, the guy did a swan dive off of the building, falling to his death. The blonde was very upset and handed her \$30 to Jack, saying, "Fair's fair... Here's your money." Jack replied, "I can't take your money, I saw this earlier on the 5 o'clock news and knew he would jump.

"The blonde replies, "I did too; but I didn't think he'd do it again."

Jack took the money... 😏
