## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

|                              |             |              |                                  |                  |              |

18 whingeing hashers converged on Park Road, Park Avenue and Park Terrace at Woolloowin for Simpleton's run. Gates to Kalinga Park are closed at 8.30pm so we were hashing to a deadline. Runners and walkers headed off to the buzzing of swarms of bloodsucking vampires, while the versatile Hare Raiser and Hash Trash maintained security and manned the barbecues. Our own personal Vampire arrived late with Ten Fingers and Struck F\*ck after they went to the wrong Park Rd/Ave/Tce.

The runners and walkers arrived back in a trail of blood, sweat and tears as they attended to their mozzie bites. Shredder described the run as bloody woeful and gave it 2 out of 2 million thousand (?), which he amended to 0.1 out of 10. Ned the cripple gave the walk report and said that he was able to observe wildlife and passing walkers and runners as he crawled along on his zimmer frame but gave it 5 out of 10.

What could have been a Bunnings sausage evening was transformed by the masterchef harriettes into a gourmet delight of aged wagyu beef sausages seared to perfection, placed upon a bed of caramelised organic onions and wrapped in thick slices of crispy hand cut sourdough bread – or something like that anyway. You're welcome Simpleton.

The *pièce de résistance* was the combined tomato sauce and mustard in a single bottle, which was unanimously agreed upon as a master invention, and clearly shows that someone creative in Aldi goes to hash.

## Awards/Down Downs

| Hash Award  | Hasher             | For  |
|-------------|--------------------|--|
| Hares       | Simpleton          | A blood sucking run and getting other people to cook the food.   |
| Big Prick   | MIA                | Still with Scrubber's girlfriend's soccer team.  |
| Small Prick | MIA with Flasher   |  |
| Dummy       | MIA with To & From |  |
| Brush       | Mammary Stick      | Complaining that she'd lost an hour of her life that she'd never get back after writing the trash. If you think that's a complaint, remember that there are another 53 weeks left to go. |
| Arse Saver  | MIA with Dog       |  |
| Grub Shirt  | You're Screwed     | Knows not to ask for volunteers next time.   |

## Other Charges

| Chargee/s                            | For  |
|--------------------------------------|--|
| Abbo                                 | Being the perfect rain man, as well as setting up bank accounts for his next holiday.  |
| Smooth Ride                          | Returnee from yet another overseas expedition – will probably want to be Hash Cash next year.  |
| Yackety Yak                          | Getting the run count wrong, and saying 'two one two sex', but she can't hilp thet.  |
| Floater                              | Hash Cash for Thirsty and won't take money until his books are ready, but expects BNH3 to take his. BNH3 doesn't keep books so not a problem here. |
| Floater                              | Still looking for his asexual shoes (blue ASICS and last seen at the AGPU)   |
| Ten Fingers, Vampire and Struck F*ck | Going to the wrong address when it had been clearly stated as Park Rd/Ave/Tce.   |

**NEXT WEEK'S RUN: Abbo, 4 Boronia Court (not Boronia Avenue or Boronia Crescent), Albany Creek**

## **ANNOUNCEMENTS:**

- The Hash Recycler has requested that nobody crush their cans as this affects our financial situation.
- BNH3 40<sup>th</sup> birthday celebrations – Friday 7-Sunday 9 June 2019. Bribie Island Retreat and Recreation Centre (cabins and camping) – more details to follow when someone works out what they are.
- BNH3 winter vests are now selling for the low price of only \$10 (although Simpleton tells us sleeves are extra). L, XL and XXL sizes left. Please see **Heart Starter**.

Memories of Run No 2127  
(since the Hash Flash had a failure)
