HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shreddar	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH Murrumba Downs	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Abbo saw fit to ensure the downpour took place before his arrows were set, which was a bit disappointing for those hoping for a DIY shortcut. Age is a definite advantage when doing a hash run as young Tom (aka Tom Tom/Just Tom/Snappy Tom/Tommo) was the first runner back, looking very pleased with himself. The slightly older runners arrived back some hours later sporting a very unattractive shade of Barnaby Joyce beetroot red, hyperventilating, covered in sweat and clearly in need of a few zaps with a semiautomatic defibrillator. This made the 3 DIY walkers (Killer, Ten Fingers and Rabbi) who had been sitting discussing assorted medical ailments and the high cost of health care, feel rather smug that they had conserved their energy for a much healthier session of rehydration.

Smooth Ride had a lovely book of photos of her Costa Rican holiday, which made everyone as green as Flower's shirt, and Heart Starter found that spending time with the letterbox walkers (on the advice of her podiatrist), is a much more pleasant way of spending a Monday evening.

There was a directive by the GM at the end of festivities advising that all old hashers must wear an old BNH3 hash shirt to next week's run (at the wonderful Mammary Stick's home). Flyer and Rego form for the birthday weekend are included with the trash. Good to see that it's a 70s themed weekend since most of us are still living there...

Awards/Down Downs

Hash Award	Hasher	For
Hare	Abbo	A rain free run, and inducting his grandson into hash.
Big Prick	MIA	Still with Scrubber's girlfriend's soccer team.
Small Prick	MIA with Flasher	
Dummy	MIA with To & From	
Brush	Night Owl	Not reading last week's trash that contained a helpful reminder about the run number, and getting it wrong – despite trying to get 'sex' into it.
Arse Saver	On Heat	This was awarded by Dog to On Heat for some minor misdemeanour. There must be some reason they're trying to safekeep the Arse Saver...
Grub Shirt	MIA with You're Screwed	

Other Charges

Chargee/s	For
Heart Starter	Calling Yackety Yak some sort of weird and unidentifiable name (Steph?).
Sherbet	Not having a life - 200 Runs
Simpleton	Having even less of a life – 400 Runs. He achieved this milestone some years ago, but BNH3 have only just seen fit to give him his award.
Stasia	Virgin – Night Owl made her come.
Just Tom	Virgin – demonstrated a very impressive down down.
Picaninni	Returnee – has been busy training Just Tom/Tom Tom/Snappy Tom/Tommo to do down downs.
Dangles	Returnee – has been hashing in other lands that no-one was particularly interested since BNH3 is the centre of the universe.
Dog	Disobedience. Bad Dog. As this charge came from On Heat the punishment will probably include something to do with the Arse Saver
Mammary Stick	Wearing a lovely shirt with some unidentifiable writing. A google search has revealed that it means "People's Republic of Cork" which obviously has something to do with champagne bottles... CCS will need a charge when he gets back for having previously told M. Stick it was obscene – or maybe he was referring to her rather than her shirt?
Ten Fingers	For not telling a joke. This was a meaningless charge as he would have got it for telling a joke, or for someone else telling a joke, or for anything really.

NEXT WEEK'S RUN: An excellent run/walk/rehydration session will be held at Mammary Stick's home at 34 Orion Place, Bridgeman Downs.

ANNOUNCEMENTS:

- The Hash Recycler has requested that nobody crush their cans as this affects our financial situation.
- BNH3 40th birthday celebrations – Friday 7-Sunday 9 June 2019. Bribie Island Retreat and Recreation Centre (cabins and camping) – see flyer. Those staying in cabins need to organise themselves into groups of 6 (no Night Owl, not sex).
- BNH3 winter vests are now selling for the low price of only \$10 (although Simpleton tells us sleeves are extra). L, XL and XXL sizes left. Please see **Heart Starter**.
- Extra BNH3 towels can be ordered for a cost of \$20. See **Heartstarter**. Pithead has no idea why anyone would want 2 towels, so if you order another one, please explain to him.
