HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH Murrumba Downs	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

It was another delightful malaria infested evening, as a swarm of BNH3 hashers descended on the sports ovals of West Chermside for Ned's April Fool's Day run. Ned managed to fool the fools who ran off in the wrong direction, and then all turned back swearing and cursing, even though Ned had passed on correct trail instructions to several reliable hashers (well done Abbo and Flasher). Security were smugly grateful that once again they'd made the wise decision to avoid any sort of physical activity.

As the running fools headed off into the darkness, the security and rehabilitation contingent settled down for a nice glass of red and discussions about what sort of bottles you can get refunds on. Apparently wine bottles don't rate a 10c refund, which is sad news indeed for BNH3 who probably could have booked a 5 star hotel in a luxury location for the 40th birthday weekend celebrations on wine bottle refunds alone.

As our illustrious GM was on leave, our regular proxy Boxy took charge. The weekly run number test was directed at Dangles, who had absolutely no idea of the run number – and couldn't have cared less. Night Owl helped him out and got charged for her efforts. Proxy Boxy asked for a run report and Ned replied that it was excellent and gave it 10 out of 10. Overproof, who got lost, gave it 7 out of 10, Struck F*ck was a short cutting bastard and gave it 2 out of 10, and Jake the Peg said it was so good he thought he must have set it himself.

Awards/Down Downs

Hash Award	Hasher	For
Hare	Ned	Fooling the fools on the April Fool's Day Run
Big Prick	MIA	Still with Scrubber's girlfriend's soccer team.
Small Prick	Ned	For setting a dangerous run that left Flasher bloody and wounded.
Dummy	Picaninni	Complaining that his father had led him astray. According to T&F, this is what fathers are for.
Brush	MIA with Vampire	
Arse Saver	MIA with On Heat	Even though Dog and On Heat were in attendance, the arse saver wasn't. This confirms previous theories expounded by the trash...
Grub Shirt	Flasher	Trail abuse and bleeding all over the concrete. Then he promptly bled all over the Grub Shirt. Some lucky recipient is in for a real treat next week...

Other Charges

Chargee/s	For
Why Not	Visitor from many hashes. Poubar made him come.
To & From/Raw Liver/Flasher	Returnees
Shredder	Asking if there were any lights, while standing in the 500 watts of LED lighting provided by Boxy.
Abbo – reverse charge to Ten Fingers	Ten Fingers must learn never to charge the Hash Cash – or anyone else for that matter.
Generic	300 runs – probably completed about 6 months ago but finally got her pink cap (as these are about the only things left in haberdashery).

NEXT WEEK'S RUN: Pizza – RSL Park, Buckland Road Nundah (across from the Prince of Wales Hotel). *Disclaimer: The trash takes no responsibility for the accuracy of this location, as multiple addresses were given before Pizza finally said "that sounds about right".*

ANNOUNCEMENTS:

- BNH3 40th birthday celebrations – Friday 7-Sunday 9 June 2019. Bribie Island Retreat and Recreation Centre (cabins and camping) – could have been a luxury hotel if wine bottles attracted a refund...
- **Heartstarter** announced that there is no haberdashery apart from 1 singlet, 2 stubbie coolers and some hats. Please let Heartstarter know if there are any haberdashery requests. Shredder is still waiting for the sleeves of his vest to arrive.
- **Ten Fingers** will need someone for weekly can collection during his 4 week absence (bottles can be discarded).

Australia 
@Australia

It's a little-known fact that some [#koala](#) joeys are born with leopard print fur 🐾

We don't yet know why only certain joeys are blessed with such incredible fashion sense, but we're sure little April here is the envy of her friends. [#seeaustralia](#) [#wildlife](#) [#australia](#)
