## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH Murrumba Downs	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

**Pizza's** Nundah run was a memorable one for many reasons:

1. The location and address were correct.
2. It was one of the longest runs in the history of hash – those who ran past DFO, Ned's boat and the port of Brisbane can attest to this.
3. **Phantom Farter** was finally named.
4. It was **Meat Lovers** 21<sup>st</sup> run and 21<sup>st</sup> birthday AND there was cake.
5. **Yakety Yak** couldn't find any hot blokes even though she ran past the gym 10 times (the GM assured her that this was because all the hot blokes were at hash).

The security and short cutting contingent once again delved into the world of medical afflictions, with **Speculate** adding a whole new cultural level to these discussions by introducing the topic of faecal transplants. Sadly these do truly exist, and what's more anyone can be a donor and receive payment for doing so. With the sh\*tload of crap that goes on at hash, we could all be sitting on a veritable goldmine. There's even talk of developing crapsules to replace transplants, but that's probably a bit futuristic.

Once the biscuits, chips and easter eggs came out, all thoughts of becoming donors dissipated. **Smooth Ride** was heard to observe with a chip in hand, that she loves them thin and plain, but **Flower** responded that she much prefers to be fat and ravishing. Don't we all.

The GM said he'd give the run a score of 5 for every re-group and therefore gave it a total of zero; **Boxy** gave it 1.5 out of 10 because it was f\*cked up. A vote was taken on the religious naming of Marty, and he was lucky to escape Silent But Deadly and Piss Poor Pourer to become **Phantom Farter**.

The GM had recently returned from Mt Sinai with some tablets (not crapsules), but these had obviously been confiscated at the airport because all he had with him were a couple of bits of old cardboard, imprinted with the following commandments – or something like this:

1. The GM is always right.
2. If you think otherwise, refer to no 1.
3. No shortcutting – unless you're with the GM
4. No whinging
5. No throwing piss
6. No pansies
7. Something about bottles that was a bit too abstract for the trash
8. No spewing (was supposed to be chundering but we all love Chunder)
9. No white-anting eg the coveting of other's wives, pets etc.
10. Don't come unless you've got money (once we all start donating to the transplant program this shouldn't be a problem).

This is the gospel according to the GM.
