HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Ryvita's run was memorable for many reasons - not just the excellent bangers and mash. For one thing it was the first time a chicken has been decapitated during the course of the evening. Ned and Boxy strenuously denied responsibility, but both were seen holding the head at different points of time.

Shredder was our substitute song master while the ravishing flower was AWOL en route to Port Douglas, and I think BNH3 would unanimously agree that she was sorely missed. You would think that having sung the same songs repeatedly, year in year out for decades, that at least a few members of the group would be able to remember all the words but this was not the case.

"She's the hasher who wears the hash shoes, she'll drink all your money and eat all your booze... something something and she's still got the box that the cherry came in..."

Sherbet announced that New Zealand had been awarded a prize for the sexiest accent which we all found hard to believe. Irritable Vowel Syndrome is generally considered to be an unfortunate affliction from which all Kiwis suffer.

Sheep Thrills had returned from the wild west with another inane piece of google information. On this day in 1939 John Kellogg developed Cornflakes as part of his wellness program designed to curb masturbation. Mr Kellogg felt there was a direct correlation between breakfast cereals and sex drive and was clearly a very disturbed man. Boxy had some interesting ideas on what he might have done with his Fruit Loops.
