HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Pithhead's full moon hash run brought all the ghouls, spectres and other unsightly creatures out of the woodwork - as can be seen from the accompanying photos. Pounda made an unexpected appearance and when asked why he was back claimed that it was mainly to annoy the f*ck out of Jake the Peg. Jake retaliated by serenading Pounda with a song he had written to commemorate Pounda's memorable Christmas Party impersonation of a human vomitron:

Ode to Pounda *(to the tune of The Addams Family)*

*His guts they are convulsing
His puking is repulsing
Thank God he isn't farting
It's Pounda vomiting*

*His stomach lining's missing
He's nervous when he's pissing
No one wants to kiss him
It's Pounda vomiting*

*Everywhere is stinking
He's too pissed for thinking*

*And so he keeps on drinking
It's Pounda vomiting*

CAN'T KEEP IT down, down, down, down

When both the run and the walk were rated 10 out of 10 everyone knew there was an ill wind afoot – and it wasn't Pounda. Ned claimed the run was well marked when it was well marked(?) and Pounda gave it full marks for the Christmas lights (probably reminiscing about his own personal Christmas performance). When Flower suddenly turned into a pig face accusee rather than accuser we knew it had to have something to do with the full moon.

Pithhead and Heartstarter provided a wonderful full moon repast, and Pounda managed not to vomit so high praise indeed for the excellent food, beer, wine, and mediocre company.

Awards/Down Downs

Hash Award	Hasher	For
Hare	Pithhead	Setting a howling good full moon run

Other Charges

Chargee/s	For
Pounda, To & From, Jake the Peg, You're Screwed, Dangles, Ned, Mammary Stick, Rabbi and B1	Dangles has been hashing in Fiji so GM wanted to know why he hadn't picked up B1 and taken him. Apparently B1 was drinking in a different bar at the time so was unavailable

Sherbet, Night Owl and Yackety Yak	For their sixty eccints.

Rabbi, Jake and Vampire	Our full moon hairy werewolves and not so hairy vampire.
Heartstarter	Wanted to have coffee with the Pounda family but wouldn't go when she found out Beat-a-root wasn't going to be there. Probably something to do with Pounda's vomiting disorder.

Night Owl	Claims niver to have sid: "it's June but not even halfway through the year".
