## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run No. 2143 turned into a 'proxy' Boxy run in every sense of the word. Boxy wins the ultimate Project Management award for having subcontracted out every aspect of his run. Jake set the run and walk, Phantom Farter was assigned Boxy's usual role of piss poor piss pourer (RA), and Shitzu prepared and delivered the food. Under duress, Boxy managed to take responsibility for the down downs. Jake's faithful companion Jax - the subcontracted security guard - was on hand to ward off any suspicious looking characters, and tried to eat Ned when he arrived.

Jake gave the run/walk instructions and advised that it would be a one hour run and a 60 minute walk. Security sacrificed a much anticipated jaunt through the streets and remained on site in the freezing cold to ensure nobody stole the heater. It wouldn't have mattered if anyone stole all the bags, keys, food and even the grog, but they were prepared to protect that heater with their lives.

Cheesy who had returned from his alpine adventure said the run was well marked despite being a bit short and having a lack of regroup, and gave it 3 out of 7000. Due to the subcontracting, he described it as Boxy's best run ever. Floater found the walk to be scenic and enjoyable, and would have given it a score of 1000, however because of some glaring deficit (which I can't read), he had to subtract 999.

## Awards/Down Downs

<b>Hash Award</b>	<b>Hasher</b>	<b>For</b>
<b>Hare</b>	<b>Boxy</b>	Setting the best proxy Boxy run ever
<b>Big Prick</b>	<b>Ned</b>	Narrowly missed being eaten by the contract security guard (Jax).
<b>Small Prick</b>	<b>Ned</b>	Ned was heard making attempts to get into Mammary's pants. This is highly unlikely as Mammary has enough trouble getting into her own pants.
<b>Dummy</b>	<b>MIA - Fidel</b>	
<b>Brush</b>	<b>Floater</b>	Floater left his brush at home and was recharged accordingly.
<b>Arse Saver</b>	<b>MIA</b>	
<b>Grub Shirt</b>	<b>MIA with Flasher</b>	

## Other Charges

<b>Chargee/s</b>	<b>For</b>
<b>Cheesecake, Abbo and Picannini</b>	Returnees - Cheesy has been doing the Tour de France, Abbo has become a grey nomad and Picannini has been waiting out the front of his house every Monday night for Abbo to pick him up.
<b>Pounda &amp; Jake</b>	Visiting GMs – Jake from Brewery Hash and Pounda from UAE Hash. Pounda is still the only member of UAE Hash - apparently the voices in his head don't count because they don't pay subs.
<b>Scrubber</b>	For being revolting, although how this differs from his normal behaviour is anyone's guess.
<b>Floater</b>	For accusing the GM of making a mistake, which in accordance with the commandments never happens (refer to shitty pieces of cardboard from previous trash).
<b>Jake</b>	Trying to get Boxy into a bondage situation with Jax.
<b>Yackety Yak</b>	Being attacked by little pricks on the run. Hashers need to leave her alone.
<b>Heartstarter and Overproof</b>	The insanity award for 29 years of wedded bliss.
<b>Pounda and Shredder</b>	A half charge because Shredder didn't drink with his brother for previous charges. Shredder didn't

want to be a Half Pounder - probably considers himself more of a Whopper.
