## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

The number of hashers queuing to pick up the trash pen in the recent absence of Ms Stick who had other (better) things to do, has been duly noted. Thanks to **On Heat** for being the only one willing and brave enough to take on this time-consuming and thankless task for a week, only to find that nobody could be bothered distributing her trash.

This general malaise and lack of enthusiasm demonstrated by BNH3 is clearly contagious, as the GM **Fig Jam** decided on a whim to head off to Thailand for a massage, and delegated **Boxy** the poxy proxy position. **Phantom Farter** stepped up to his now regular piss poor piss pouring role.

Arriving back at the **Dog/On Heat** abode, there was much excited discussion about the queue of men that had been observed waiting for the public toilets in a local park, the subsequent arrival of a police car, and something about a pizza delivery. It sounded like the constabulary were concerned that the long wait at the toilets could have left some of the gentlemen feeling a little hungry and had kindly provided some sustenance while the starving gents patiently waited for the ablutions to become available. **Boxy** had a few other suggestions that the trash is unable to put into print due to legislation around obscene and pornographic publications. A highlight of the evening was an impromptu visit by **G Spot** who came bearing pumpkins.

**On Heat** set a well scored run and walk: **Picaninni** gave extra points to **On Heat** for having included the checks that **Ten Fingers** forgot last week and gave it 9 out of 10, **Heart Starter** gave the walk 9.5 out of ten – purely for the entertainment at the public toilets, and **Fidel** described the letterbox walk as superb and gave it 10 out 10.

### Awards/Down Downs

Hash Award	Hasher	For
Hare	On Heat	Setting a run complete with X-rated entertainment.
Big Prick	Flower	Regaling the group with tales of her first realisation that dicks float. Jake had kindly provided the big prick with a sock headwarmer, which led to more unprintable Boxy comments.
Small Prick	Boxy	For wanting to join the queue at the public toilets.
Dummy	Fidel	Not coming to Ten Fingers' run and bringing the spray paint he'd promised (how did that not become a reverse charge?).
Brush	MIA	
Arse Saver	MIA	
Grub Shirt	MIA with Flasher	

### Other Charges

Chargee/s	For
Killer and Overproof	Killer for not knowing the run number, and Overproof for having practiced it on his way there.
G Spot	Not attending hash because it's too f*cking far to come.
Shredder	Technology in the circle – talking to his broker in New York.
Jake	Using his socks to warm up the big prick.
Ned	Being a long cutting bastard.
Flower	Picking up the tent she'd sold her sister and setting it up in Gympie, only to find she'd left half of it behind. Had to use other people's leftover tarps to create the Tarp Mahal.
Phantom Farter	Forgetting to remind Boxy to bring the cups, and forgetting to get in first and charge Boxy with forgetting the cups.
Returnees	Phantom Farter and Killer
