HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

It was another balmy Brisbane winter evening for run no. 2152, and unfortunately no cosy fire was called for at the home of our lovely Flower. Anticipating a fabulous scenic run in beautiful Bridgeman Down Downs, the enthusiastic group gathered in the driveway where Flower warned of the large number of turkeys in the vicinity. I believe she was speaking to the neighbours at the time.

The turkeys scuttled off in all directions, heads bobbing up and down, making strange noises and generally making the place look untidy, as turkeys have a tendency to do. Some did the run, some did the walk, and some did not much at all, although all managed to spoil the aesthetically pleasing serenity of the local habitat - something BNH3 is famed for on a Monday night.

Nokia, who had elected herself proxy song-mistress for the evening, said it was a good run but there was not enough shiggy and there weren't enough turkeys (was she on a different run?), so she gave it 7 out of 10. Yackety Yak enjoyed the walk because it made her breathe heavily, so she gave it tin out of tin. There was discussion about regroup but Flower assured the circle she doesn't do groups so that was the end of that.

Awards/Down Downs

Hash Award	Hasher	For
Hare	Flower	Setting a fabulous turkey run.
Big Prick	Singapore Sling	SS should know better than to come impersonating Ten Fingers with a beard, or he'll find himself getting a reverse charge every time he speaks.
Small Prick	Boxy	For deep breathing in dark passages. Wasn't someone else deep breathing, or is this just another quality turkeys are renowned for?
Dummy	MIA	
Brush	MIA	
Arse Saver	MIA	
Grub Shirt	MIA	

Other Charges

Chargee/s	For
Nokia, Yackety Yak, Rabbi, Beet-a-root & Struck F*ck	Returnees – Nokia has been in the deep south and produced a voodoo doll for the GM to prove it; Rabbi has been in the Solomons liaising with someone; Struck F*ck has been fencing the great dividing range for want of something better to do; Yackety Yack has been having a good time elsewhere; and Beet-a-root has enjoyed being naked (yes Pounda, you read that correctly).
Mark	Virgin – friend of Dog's (who made him come), however Smooth Ride was quick to question whether Dog had any friends. Could be another cunning impersonation.
Shredder	Secretly training for hash by running after tuk tuks, which can apparently be seen on Youtube.
Dog	For thinking about Flower's mammaries every time he looks at wet cement. As Flower also thinks of her mammaries every time she looks at wet cement, the two are obviously on the same wavelength.
Mammary Stick	The GM asked the circle how many people had been married more than once (this was a ridiculous question for a group of middle aged people – clearly he would have narrowed down the numbers significantly if he'd asked who'd only been married once). The reason for the charge was that he'd been stalking M. Stick at an ATM earlier in the afternoon, and apparently this stalking thing is something former husbands do to check on the spending of their ex-spouses. Evidently it's become habitual for some people, however he did make some

	<p>pathetically unmemorable excuse for his strange lurking behaviour.</p> <p>** A special thank you to Shredder for making a supportive notation in my otherwise unreadable notes.</p>
Dog	For not giving his so called 'friend' Mark a hash shirt.
Shredder	Not running tonight because Night Owl wasn't here to impress.
Vampire	The 'recuperating invalid' charge which she was allowed to drink sitting down.
Ten Fingers	A bonus beer for going through a whole circle without a reverse charge.
