HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

The GM enquired as to whether it was the non-pension week, which might account for the limited attendance at Simpleton's ongoing renovations at Heilbromm Street. The dozen or so in attendance managed to scoff the catering for 30 people, so all was not lost. Special commendation goes to Tail and Flower for jumping off the train and coming directly to hash from Gladstone where they had been upholding the exemplary reputation of BNH3. This is the sort of behaviour all hashers should aspire to, and just goes to show that if you're looking for loyalty, enthusiasm, motivation, strength of character and sheer desperation for a drink, you need look no further than a harriette.

It was with sad hearts we heard that Chucky is fed up with all of us and has decided to go to London for 2 years. We wished him all the best and assured Simpleton that his son will never be lonely or at a loose end because the London pub scene is incredible and the nightlife so exciting that he probably won't even have time to look for a job.

Shredder enjoyed the quality run which was proudly sponsored by NAB, and although it was well marked he missed a lot so gave it 3 out of 10. Struck F*ck gave the walk report, but the combination of hills and his dodgy knees meant he spent a lot of time jogging - therefore it was another run report and he gave it 3 out of 10. Jake spoke on behalf of Jax and said that he'd loved the walk so much he gave it 20, then divided it by 4 because he has 4 legs (Jax, not Jake), so gave it 5 out of 10. Good boy Jake.

Thanks to Tail, Jake & Jax for accepting the huge responsibility of next week's run at short notice.

Other Charges

Chargee/s	For
Chucky, Simpleton, Phantom and Jax	Returnees – Chucky is actually a departee rather than a returnee, and we don't know where the others have been or what they've been doing as the GM made it quite clear he didn't give a sh*t.
Dog & Flower	SCPs – short cutting pricks
Ned	383 runs (a trio of 181s)
Dog	Imitating a sailor. It's not "wakey, wakey, hands off snakey". According to the GM, it's "drop your cox (as in coxwain I'm sure) and grab your socks".
Night Owl	For many weeks Night Owl has been in breach of commandment 4 by whingeing about not getting her 50 runs mug. She received it engraved with her name, as well as "STFU" (shut the f*ck up) on the bottom. Clearly it pays to whinge...
Jake	Letting Jax drink beer out of the GM's cup – or training him to do it.
Smooth Ride	Whingeing and taking over the circle (someone had to do it).
Chucky	Disrespect to the GM by greeting him with the words "I'm not running and I'm not paying so f*ck off", however this was deemed excellent job-hunting practice for the U.K.
Flower	Picking up crabs in Gladstone, or crustaceans of some sort, which were running up her back.
