## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Abbo has recently returned from circumnavigating the globe, just long enough to set a hash run and collect a bit more hash cash, before flying off again. Struck F\*ck gets a highly commended award for delivering the grog even though he had better things to do (don't we all) and had to rush off before the circle, leaving Boxy to do the piss poor piss pouring. Yackety Yak is also commended for knowing the run count, which makes a change from most weeks when no-one has a clue except for the overworked and underpaid hash trash.

Pounda made an unrecognisable appearance, being only half the man he used to be. Half of him has clearly been left behind in Dubai. Presumably he will only need half the number of buckets for his vomiting syndrome in future, although this only seems to coincide with camping weekends and Christmas parties. Speaking of which, the BNH3 Christmas party has been tentatively reserved for the 23rd November, and it was unanimously agreed that it should be held at Fig Jam's house - whether he's there or not. Pounda has been booked as the entertainment.

Cheesy enjoyed the run and gave it 9/7000, although felt it wasn't as good as Mammary's run last week. Sherbet gave the walk report and said it was well marked and had plenty of regroupes so she gave it 8.5 out of 10. She wasn't at Mammary's walk last week, but after all the excellent reviews was disappointed to have missed this amazing event.

## Other Charges

Chargee/s	For
<b>Pounda, Sherbet &amp; Generic</b>	Returnees – <b>Pounda</b> has been busy being GM/RA/Cash/Trash/Hare for Dubai Hash, of which he is the only member, <b>Sherbet</b> has been curry munching in India and <b>Generic</b> has been recovering from a good time.
<b>Heartstarter</b>	Trying to trick the Acting GM last week, although general consensus was that this was not a difficult thing to do.
<b>Boxy</b>	Charged with spillage and wastage, and sounding like he was ringing cow bells.
<b>Flower</b>	300 runs, of which Mammary Stick's last week was the best.
<b>Smooth Ride &amp; Generic</b>	Talking about antiques which some senior hashers (ie the entire group) found offensive, however as Smooth Ride's birthday is on 29 <sup>th</sup> February and she's therefore only about 16, she feels she's quite entitled to discuss antiques.
<b>Singapore Sling</b>	Multiple crimes including impersonating a GM, and impersonating a Struck F*ck by backing into a tree outside Abbo's house. Apparently he was merely doing some much needed pruning.
<b>Ten Fingers</b>	Tried to charge Mammary Stick with over-achieving but ended up taking one for the team.
