HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

It was with heavy hearts that BNH3 gathered for the last time at the Pounda hacienda in Murrumba Downs. There was a sombre air afoot as downcast hashers arrived for Pounda's final shitty trail. Even personal guided tours of the new Pounda/Beet-a-root love shack parked in the driveway could not lighten the air of melancholy that abounded. That was until Pounda announced that there were to be free giveaways of useful household items that couldn't be taken on the move to their new northern tropical destination. There was a rush for the giveaway table as the happy hashers received their handouts.

Actually most of the sadness was because there wouldn't be any more of Beet-a-root's amazing culinary repasts, and when Pounda appeared in his Italian souvenir lycra bike pants (see unfortunate photographic evidence below), most of BNH3 were glad that this vision was something they wouldn't have to witness again. In fact most were eternally relieved that he hadn't accessorised with the mandatory mesh singlet, multiple gold chains and porn star moustache that would normally be a part of this Italian national dress.

Cheesy, the BNH3 official walking runner, gave the run report and found it to be well marked and well set despite the lack of hills, and gave it 7.5/7000. Smooth Ride enjoyed the walking view (but not the lycra view) and gave it 8/10.

Hash Award	Hasher	For
Hare	Pounda	Setting his final shitty trail.
Big Prick	Pounda	Before this was handed over, Ryvita said she'd had a wonderful week with some great memories, and gave it to Pounda because she thinks he needs it. Not sure if this had anything to do with the lycra.
Small Prick	MIA	
Dummy	Smooth Ride	MIA in her car for another week
Brush	MIA	
Arse Saver	MIA	
Grub Shirt	MIA	

Other Charges

Chargee/s	For
Jake the Peg	Returnee - Nobody asked where he'd been or what he'd been doing because of the prevailing care factor.
Shredder/Pounder	Shredder pretended to be a runner but was in fact a short cutting bastard. Fortunately Shredder chose not to follow his brother Pounda in the lycra department.
Jake the Peg	Losing his fork and plate on the camping weekend which was handed over by the GM.
Jake the Peg	Losing his cup on the camping weekend, which was also handed over by the GM.
Jake the Peg	Losing his chair on the camping weekend. Apparently the GM has become Jake's pseudo mother and is following him around and picking up after him.
GM	Jake tried to charge the GM with theft as he hasn't been able to eat, drink or sit down since the camping weekend.
Abbo	Not living up to his name and running past a big fat witchety grub on the run without eating it. Beet-a-root kindly put it in a sandwich bag for him to take home for his lunch tomorrow.

Abbo

Celebrated his birthday last weekend with all his friends. Needless to say BNH3 weren't invited.
