HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Flower loved every minute of setting her run, and we'd like to reassure her that all of us are quite happy if she wants to do more of them. One a month, or even fortnightly, would be ideal. Smooth Ride is happy to book her in. Flower set the usual idyllic trail through the gently undulating hills of Bridgeman Downs, and included the National Lampoons Christmas lights on Trouts Rd, where clearly the inhabitants started setting up their displays in April. Some of the friendly harriettes even stopped to socialise with the homeowners - probably hoping to be invited in for some Christmas cheer. Considering the shirts they were wearing, this was highly unlikely.

Simpleton gave the run report and said he was very impressed with the fat arrows. Despite the shortage of regroup he gave it a score of 7.25 out of 10. Vampire loved the walk and had been part of the detour contingent who had a closer look at the Christmas lights and managed to get some local family history on the way, so gave it 10 out of 10 for creativity and nativity. Boxy wasn't asked to give any reports as he's still highly contagious, and told an appropriately crude contagious joke which won't be repeated by the trash. He also claimed that the GM told him that when he's contagious he just sucks on a Fisherman's Friend, however Boxy felt this was easier for the GM as he lives near the beach...

There were some animated discussions held regarding the AGPU, and the GM has distributed an email with selected dates to be voted on. As the words 'democratic hash' would normally be considered an oxymoron, this puts the BNH3 morons at the forefront of democratic hashes. The venue hasn't yet been arranged as it will be dependent on dates. Beachmere might be

unavailable if the date and daylight saving time are inconvenient (private Christmas Party joke - thank you Jake).

Awards/Down Downs

Hash Award	Hasher	For
Hare	Flower	Setting her own fun run.
Big Prick	Smooth Ride	Seen sidling up to Ten Fingers and telling him he was looking exotic tonight. Pounda advised her that Specsavers have a special on at the moment.
Small Prick	Fidel	Fidel & Boxy both accused each other of having lost the small prick. Boxy got the sympathy vote because of his contagion, and Fidel got landed with the shiny new small prick.
Dummy	Chunda	Singapore Sling gave this to Chunda for whinging about having to wear the grub shirt on the run.
Brush	MIA	
Arse Saver	MIA	
Grub Shirt	Singapore Sling	Awarded to SS by Chunda in retaliation for giving Chunda the dummy.

Other Charges

Chargee/s	For
Fidel	Returnee - Fidel - the usual level of interest was shown in his whereabouts over previous weeks ie nil.
GM & ET	For sucking on Fisherman's Friends. ET got to have a drink with him now that she's the new GM of Thirsty.
Boxy	Telling contagiously unfunny jokes.
Flower	For her one regroup. She said it was a token gesture regroup, so she received a token gesture beer.
Chunda	Being so excited about coming to hash he wore his shirt inside out.
Ten Fingers	Tried to charge Fidel with being too flash for hash, but this was not surprisingly reversed.
Singapore Sling	Not needing to use lights. This can often be because of the sun shining out of orifices.

Singapore Sling	Putting the grub shirt on back to front. Smooth Ride suggested we just turn his head backwards.
Ten Fingers	Tried to charge Ryvita for her hash accessory coordination, but this became a reverse charge because her shoelaces didn't match.
