## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Boxy thoughtfully selected the hottest day of 2019 to host run no. 2170 in the flatlands of Arana Hills. Fortunately a sudden drop in temperature meant that the Qld Ambulance Service wasn't called upon to attend to the deluded BNH3 hashers who still believe themselves to be elite athletes. The sensible letterbox walkers were accused by the hare of shortcutting and missing his sensational walk, however they were in fact attending to the needs of the less fortunate. Virgin Michelle, who was picked up while lingering suspiciously in Double Bar Ct by Ned and M. Stick, was suffering a foot injury and the letterbox walkers kindly shortened their athletic endeavours to ensure her comfort and safety.

Smooth Ride, M. Stick, Vampire, Killer, B- and Ten Fingers had actually been intending to do the run, however once they realised that Michelle needed their assistance, they sacrificed their sprinting intentions to ensure she got back safely. Unlike the other hashers who headed off in all directions, this caring group understood the importance of a marketing strategy that might increase membership of BNH3, particularly in light of the fact that Pounda a Beat-a-root are escaping to Darwin and numbers will be depleted.

Following the hash referendum noted by the GM for its poor level of participation (see Brexit experience), it's been agreed that the AGPU will be held on February 29th 2020 which will coincide with Smooth Ride's 17th birthday.

Sex Change gave the run report and loved the shortage of arrows and hills so gave it 6.9 out of 10. Wild Peach hasn't done a walk for a while so was easily impressed and gave it 0.45 out of 10. Pounda and Cousin It were fortunate not to be charged for feeble joke-telling.

Shitzu was given a drink for amazing meal preparation (including a festive Christmas trifle) and doing all the hard work while Boxy did f\*ck all. Shitzu assured the group that Boxy doing f\*ck all is a normal state of affairs so she had truly done nothing out of the ordinary.

### Awards/Down Downs

Hash Award	Hasher	For
Hare	Boxy	Setting the hottest run of the year.
Big Prick	Ten Fingers	Because he deserved it.
Small Prick (imposter)	Ten Fingers	Told Fidel he was going to ride his bike to hash and didn't. Should have been a reverse charge to Fidel if he was silly enough to ride a bike to hash in 40 degree heat.
Small Prick (original)	Cousin It	To & From revealed that he'd been holding the original small prick for many months now, and it had not disappeared altogether as we had feared. He produced it for Cousin It as he wanted to see him single handedly juggle his drink and small prick.
Dummy	Ten Fingers	Originally went to Stuck F*ck but was transferred on a technicality to Ten Fingers for whinging about the beer. Ten was then able to celebrate winning the evening trifecta.
Grub Shirt	Pounda	Boxy thought the Grub Shirt needed stretching so gave it to Pounda, who then shared it with his siamese twin Shredder.

### Other Charges

Chargee/s	For
Michelle and Sex Change	Virgins - Sex Change made Michelle come, but he'd done a DIY.
Wild Peach, Cousin It, To & From	Returnees. Wild Peach has been at Petrie, Cousin It at Albany Creek, and To and From has been engaged with the small prick.
Fidel, Ten Fingers and Cousin It	Raiding Boxy's personal fridge (in a pre run rehydration session) and not leaving any money on top.
Vampire, Tail, Fidel, Ten Fingers, B-, Killer	Received a charge on behalf of the shortcutting walkers, aka hash promotions group.

<b>Tail</b>	Not fully comprehending the Shredder/Pounda synchronised drinking phenomenon.
<b>Flower</b>	The Hammersley award for rear end damage to her week old vehicle.
<b>Ned</b>	For flaunting his mammaries. And why shouldn't he flaunt his Mammary? Clearly she is well worth flaunting...
<b>Ned</b>	Missing all the arrows. Whilst discussing Ned's failing eyesight, Shredder reminded the group of the memorable incident several years ago when Ned bravely attacked a stationary bollard by ramming it with his unprotected body parts.
