## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912

Half an hour before run no 2175, the heavens opened and a deluge of mosquito-inviting precipitation obliterated every sign of Sherbet ever having set a run. This didn't stop a large number of hashers arriving to ensure Sherbet's much anticipated nosh didn't go to waste.

Even a lovely LGBTQI rainbow came out to show that hash doesn't discriminate, which is just as well because even though Pith-head has been posting photos of naked men on Facebook, he is definitely NOT gay. Although apparently his boyfriend is...

Verbal trail instructions were given, and the crowd set off to do whatever the hell they wanted. Un-named runner Michelle excitedly discussed her latest dating app with Boxy, not realising that a naming was in store as Boxy was carrying his bad Habit with him. She was christened during the circle and shall forevermore be known as "**Tinderbox**".

Shredder gave the run report and was quite complimentary about the scenic vista until Sherbet interrupted him and her score was downgraded to 5/10. Singapore Sling gave the walk report and sadly thought it was considered a badge of honour to be one of the only walkers to have completed the entire walk in accordance with Sherbet's instructions. He clearly hasn't understood the BNH3 concept of brown-nosing over-achieving, but no doubt this will be drummed into him over time and he'll be one of the letterbox walkers by the time we've finished with him. He gave it a blistering 9/10.

## Awards/Down Downs

Hash Award	Hasher	For
<b>Hare</b>	<b>Sherbet</b>	Not setting a run
<b>Big Prick</b>	<b>Ten Fingers</b>	Referring to Gob Shite as an assortment of names including Crab Stick/Crab's Dick/Crab Shite/Crob Shite etc - anything but Gob Shite really.
<b>Double Small Prick</b>		
<b>Dummy</b>	<b>Boxy</b>	Flogging his Aldi shorts. What did they do wrong?
<b>Imposter Dummy</b>	<b>Boxy</b>	Getting the zip of his shorts caught (not sure if this was while flogging them) and asking ET to fix it for him.
<b>Grub Shirt</b>		

## Other Charges

Chargee/s	For
<b>Shredder/Generic/Rabbi/Jake the Peg</b>	Returnees - nobody bothered to ask where they'd been because of the usual prevailing care factor
<b>Snow White</b>	Visitor - only comes when the run is at Sandgate/Shorncliffe
<b>Ten Fingers</b>	For his bad bow tie, which goes with his bad jokes (and general clowning around...)
<b>Heartstarter</b>	Being seen to engage in piss abuse, and therefore in direct breach of commandment no 5.
<b>Singapore Sling/ET/Snow White</b>	Mountain Goat award. No-one was able to ascertain who had mounted the goat, but they were all pretty muddy.
<b>Flower</b>	Tried to reverse her car into the GM, and was charged for missing.
<b>Sex Change</b>	Pulled a calf muscle doing something he shouldn't have been.
<b>Gob Shite (aka Crab Stick/Crab's Dick/Crab Shite/Crob Shite)</b>	Not wearing a hash shirt for his second run. Boxy was able to provide him with a spare, and also offered to find him some plastic shorts that will make him sweat like buggery (not that Boxy knows firsthand what this is like).

<b>Fig Jam</b>	Some f*cking imposter has been seen driving around in a Mazda sporting the GM's stolen number plate.
<b>Flower</b>	Calling out affectionately to a cute little canine who responded by cocking his leg. Good dog.
<b>Smooth Ride &amp; Struck F*ck</b>	Over achieving by participating in some pre-hash exercise (?).
<b>Pith-head</b>	Despite the naked photos, Pithy assured everyone he isn't batting for the other side. No-one was sure which other side he was referring to.
