## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2177.

Great runs by Chunda topped off with Top pies by Cheese.

Two new runners Justa, Cu in the NT and Joanna from the NT now living in Brisbane

Only disturbing thing on the run was the Hare riding past the runner's pack at Hi-speed on his push-bike and the fact that most "R" arrows led to a "FT"

When GM FIGJAM called the circle, Tail gave a Run number of 2177.....considering she hasn't been for weeks, actually that aint bad.

Tinder Box said the Run was Hilly and gave it 7/10.

Justa, Cu in the NT gave a walk report of 1/10.

Yakity Yak was called upon to produce the Grub Shirt. However, she was absent.

Boxy #5 and getting the GM

B- can't run because he's been swimming all day.

### GM

Tinder Box "couldn't leave him behind" about 10 Fingers

Cheesy Bonus Beer because there are pies.

Boxy laying turds on the road. Very Dodgy.

Smooth Ride No Hash gear

Pounda called out 10 Fingers for being seen in Bunnings and pretending to be a handyman. Pot calling the kettle ....???

At this point, 10 Fingers produced a huge Plastic shopping bag from which he poured out an array of Prestigious Awards, some of which had been mourned and counted as lost ages ago.
