HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MASTER	FIGJAM	0408 993 099	RELIGIOUS ADVISER & HASH NERD	Boxy	0448 841 912
HASH CASH	Abbo	TBA	HASH HABERDASH	Heart Starter	0416 673 983
HARE RAISER	Smooth Ride	0422 805 565	HASH TRASH	Mammary Stick	0417 776 098
HASH BOOZE	Shredder	0402 229 970	SONG MISTRESS	Flower	0408 706 641
HASH FLASH	Ned	0407 500 843	HASH RECYCLER	Ten Fingers	0424 955 426

Even the wettest and wildest weather, coupled with an onslaught of mozzies, couldn't keep the crowds away from **Ned's** Chilli Con Carne. The ever-growing number of BNH3 retirees threw caution and wheelie-walkers to the wind, and set off to John Goss Reserve for another evening of light hearted banter and something they call humour, and to socialise with like-minded outcasts and misfits.

Ned is a prime example of this, and set a mostly washed away run and walk, which many claimed to have enjoyed - clearly they didn't complete it. **B1** got his revenge on **Ned** for the poor score given to his run in previous weeks, and gave it 1.9/10 for the lack of arrows. **B-**, who likes **Ned** more than his brother does, said he enjoyed the walk and gave it 9.9/10.

It's with great sadness (and a bottle of champagne) that the hash trash is sent out for the final time by the present lucky incumbent of this most desirable of roles. At the risk of having upset or humiliated any member of BNH3 over the past 12 months, I now lodge the following disclaimer:

All hash trash is a work of fiction. All names, characters and incidents - even when based on real people and events - are entirely fictional. Any resemblance to hashers living or dead, or hashers living but appearing to be dead, is purely coincidental. The trash may contain course language and references to uncouth behaviour, coupled with unsavoury photographs, and its content should not be viewed by anyone. To view the

trash is to do so at your own risk, and the Hash Trash will not be held responsible for any resultant therapy. M. Stick.
