## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### PRESS RELEASE

Due to the official Hash Trash, Cousin It, cowering in Covid Crowd fear in the basement of The Boulevard, protected by his coterie of vicious dogs and armed mercenary guards, the Hash Press Secretary's job was farmed out to Tail Scandalousamouchi.

Black tie invitations ensured a who's who of famous figures descending on Maison La Yak at upscale Lawnton Heights, eager to be entertained and to entertain.

With numbers safely at an exclusive 20, the set was called to order and exited the rear portals of the exclusive address to take in the delights of nearby Lawnton Hampton's scenery and features.

Ravishing Chyna, newly revealed, set a cracking pace as the only runner, while the rest of the set meandered slowly, admiring the upscale addresses.

Checks were few and only a couple of sneaky False Trails tried to outwit the wise Chyna. Even with insider knowledge, few could detour and sneak back early to the bar.

Some 50 minutes later, all were searching for much needed liquid sustenance and partaking of wonderful hor d'oeuvres, cunningly packaged by Smiths in individual sachets for freshness. The only complaint could be that the bar service personnel were sadly lacking.

Mme Heartstarter, fashionista of some repute and leader of the ton, and looking exquisite in a stunning fascinator and hair extensions, called the assemblage to order.

Mme Yakety Yak and M. Just Clacker were commended for getting off their arses and setting a damn fine run and a cracking fire pit to keep the chills away.

Night Owl made a hectic dash across the city to re-join the Ton, as did Raw Liver and Rabbi. They were suitably chastised for their terrible attendance records.

Sex Change, mumbling about a late start and swearing that he did the run (as if!) obviously couldn't get out the gate but was never sighted either at the beginning, the middle or the end, to be then found cowering behind the eskies with a pitiful excuse as the guests returned.

Flower was reprimanded for bending over in front of Just Clacker whilst asking "Do you want me to blow on it?"

Jake the Peg was also reprimanded for abandoning the Zoom calls. His new hearing aids are on back order from Amazing.com.
