HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

PRESS RELEASE

This being the THIRD edition of this fine publication to be guest written due to Cousin It's Corona-induced hermit impersonation. Great thanks should be extended to Yackety Yak for generously volunteering Just Clacker as this week's ghost writer for your reading entertainment and insomnia cure. (You're welcome.)

The circle was called to "order" and poor Ryvita didn't know the run number when asked but was rescued by the premature ejaculation of the correct answer by Vampire. In gratitude for the save, Ryvita impersonated her version of a powerful ejaculation by spitting out her beverage during the singing of the song for Vampire's down down.

Then, hashers Figjam & Overproof were called upon to give the run report and walk report respectively.

Figjam, for reasons no one really listened to, began by telling the gathered crowd that he'd spent his months away from the herd just waiting to call Flower "a stupid witch". Nonetheless, he rated the run as "2.5 out of 10 or a 3 if the food proved to be good". Amongst his grievances were "a lack of shiggy" and other random commentary (again, no one was really listening as his days of wielding the power to make people listen to him are well and truly over).

Overproof, showing suspicious deference to the Hare, offered little in the way of explanation or critique, simply offering a score of 9 out of 10. Who knows what Flower must have on him?

Returnees Figjam and B1 were called out. B1 was accused of being away for no other reason than that he was "doing fuck all but avoiding mowing the lawn".

Recognition of the milestone 30 years of wedded bliss betwixt Heartstarter and Overproof was clouded by the impertinent observation by Sex Change that "Overproof looks a fair whack younger than Heartstarter". Hilarity ensued as the crowd was informed by Heartstarter that there would be no anniversary hanky panky this year due to Overproof's clear exuberance at said comment. Thankfully, the mood was soon lightened by Ryvita who informed Heartstarter that "older women who are involved with younger men should always be on the bottom because their faces will not droop so much."

The circle was closed and the dinner bell was rung, Flower informing the crowd that “if you bring your plates inside, I’ll give you a little something.” The offer was met with great enthusiasm. Sadly, it was discovered that “a little something” was only dinner. The grub was, however, good enough to earn the extra half a point from Figjam on his conditional run report score.

Double Small Prick	MIA...still	To & From?
Dummy	MIA...still	Fidel still has it
Imposter Dummy	Night Owl	Whinging about Smooth ride stealing her "Card"onnay
Ass Saver	Chunda	Still with Chunda because to date, it has not helped him actually save his ass (or his truck...or his chipper...or anything for that matter)

Grub Shirt	Sex Change	Still with Sex Change – he says he quite enjoys using it as pyjamas.
Bow Tie	Fidel	Still has it. WTF Fidel???
<u>Other Charges</u>		
Chargee/s		For
Tail		In the true spirit of Little Miss Muffet, poor tail could not enjoy her curds & whey because she had “lost” her bowl at Figjam’s abode during the AGPU celebrations. No spiders were hurt in the return of said crockery.
Struc Fuc		For accusing his fellow hashers of being “normal people” that should just “drink water”.
Ryvita, Vampire, 10 Fingers (& our fearless leader Heartstarter but she’s apparently immune from charges)		Egregious shortcutting across a main thoroughfare on the walk, causing Just Clacker great distress for their wellbeing.
Just Clacker		Reverse charge for caring about the wellbeing of his fellow hashers
Just Clacker, Figjam		Wearing hats in the circle (apparently beanies are not hats).***
Night Owl		Complaining that “there’s nothing in here” – she meant her glass but Figjam understood that she was gesturing to her head

*** for the record, all beanies ARE hats, but not all hats are beanies
