HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

PRESS RELEASE – RUN No. 2189

This being the FOURTH edition of this fine publication to be guest written due to Cousin ITs reluctance to accept the prestigious role of Hash Trash.

Singapore Sling set us off into the cool night and virgin territory. Lots of new houses under development – perfect spot to pick up some Hash trail chalk!

There were only a few runners but the run was long (~8km). Scored 6/10 by B1.

Walk was excellent and well-marked. Scored a 9/10 by Raw Liver.

The food was delicious and served in convenient Covid safe individual containers.
