## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Being an old fart as I am my memory isn't very good, however here is some memories of Figjam's run number 2190 held on the riverbank at Brighton. It was a cold night so there wasn't many of us there. Figgy set a good run through the streets of Brighton, and a bit of shiggy. Everybody got back safely and all agreed he set a good run. I haven't got any detail on fines and charges, except I got the Arse Scratcher (sorry Saver). The night ended with nosh, a good feed of snags. See you all at my run at 57 McNeill Road.
