HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Struck F**k's Brighton rehash – RUN No. 2200 – 21st September 2020

Trash proudly written and produced by Boxy and Cousin It

The Run

A huge pack gathered as word had got around that it was Cousin It's last run with BNHHH.

Struck F**k set a murderous trail but was it well marked and relatively flat with no big hills.

A stiff tail wind helped the walkers get home quickly although some walkers were talking so much they missed the arrows.

Despite the hare spending hours setting a runners trail no runners bothered to turn up!

The Circle

A short sit-down circle was held with stand-in GM Boxy. The pub meals were excellent as usual.

*Struck F**K was awarded 13/10 for an excellent walk.*

Returnees Cousin It and Shihtzu were suitably greeted with a song.

Hashers enjoying one of Cousin It's jokes
