HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

We changed again, and yet again, and it was now too late and too far to go back, and so we went on. And the mists had all solemnly risen now, and the world lay spread before us. We had **Great Expectations** for Vampires run!!

The Run

Three elite athletes started the run Ned, Cheesie and Sex Change. A cracking pace was set which proved too much for Sex Change (the new hash bard) as he had to stop to compose some poetry to be read later in the circle. Hash is becoming way too cultured! A good 7km run, unfortunately we missed a bit due to arrows hiding under parked cars. Ned gave it 3/10
