## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

A good run through suburbia. A bit of distance between some arrows. The front walkers were back in 35 minutes but most took about  $\frac{3}{4}$  of an hour. A top effort from the hares.

This was the longest weekday circle ever at 36 minutes.

Ryvita got the run number right at 2217. Overproof didn't finish the run for some reason. Nokia scored the run 6.69 Vampire thought the run was a tad short at 3.98km and scored the run 4.

Nokia, Fidel, Shitzu, sex Change returnees. Fidel was stuck in WA. Sex Change was stuck in Canberra.

Flower called someone a pig face for burping.

Visitors Silver Fox and Bigfoot. Silver Fox started hashing in 1969. Posh hash, Hong Kong, etc. Big Foot was in the Sydney Harriettes.

Magali almost presented the grub shirt. Rabbi told her to bend over. Rabbi recollected the Golden years of hash where the genders were separated. Pseudo intellectual words like misogyny were used. RA Sex Change called out Rabbi for inappropriate abuse of a Harriette.

Ten Fingers wanted to be renamed porn star because he thought his beard was attracting female attention although there was some conjecture about the accuracy of this claim.

Boxy was the Joke.

On on

Pithead

No wonder the scribe is changing as I'd hate to do this write up every week phew.
