HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

GRAND MISTRESS	Heartstarter	0416 673 983	RELIGIOUS ADVISER	Sex Change

This is a true and accurate record of the proceedings for Run 2223.

Tail reading out the run count, had to have a Down Down for getting Treasureland name wrong. And poor Vampire had to receive a 300 badge for being there so long.

Mammary Stick set the run all by herself, with Ned “just going along for the walk”. So Cheesy, for the run gave her an impressive 4 out of 10 for such a great job. On the other hand, Robinson Crusoe gave her a lousy 9 out of 10 for not putting in enough effort.

Robinson Crusoe charge Pleasure Island for something (I couldn't write it fast enough) but got a reverse charged. No Ozz and Arr from Crowd so it couldn't be to important.

Rabbi was charged for driving up the driveway with the beer on, while Struc* Fuc* was guiding him and fixing the cat piss up at the same time. (Multi task fella)

Ryvita and Vampire got charged for looking alike and drinking different drinks.

Royal Liver charged Nokier for drinking water before the run when there was plenty of Alcohol. Which would have helped her finish the run, rather than having to walk the run trail.

Jake charged Ned, who was half naked, for taking Cheesy around the back of the house in the dark and when they reappeared they were both wet. Leaving questions?

AGPU at Heart Starters Place.

Also 10 Fingers seem to get the night off without any charges.

Flower told a joke about some Lawyer giving her the crabs which she took home.
