HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

YAKKITY YAKS & JUST CLACKERS WANDER OVER YONDER

Run #2,229 – 19 April 2021

Trash ham-handedly written by ByDesign – watch out for that alphabetical order !

ON THE RUN

Both routes had a good mix footpath and long grass (no random snake encounters sadly) taking in the majestic views of downtown Lawnton. A bit of rough ground keeping those on their toes and the cooling temps keeping them up there.

Run Rating: Nice and Flat with lots of arrows 2.5 /10

Walk Rating: yeah.....? with an upwards inflection. After considerable further deliberation, a 'very good walk', not sure if **Pithhead** was on the level for it but it goes into the books as an 8/10

THE CIRCLE

Returnees were **Fidel** and someone else, but there was confusion as to who which is probably for the best

Congratulations and commiserations go to **Chunder** for bring another wee one into the world – ah the wonders of modern medicine! Congratulations also to **Yakkity Yak** for successfully booting the kids out, not that she remembered knowing much about them anyway.

This weeks food for thought – why is **Heartstarters** buttocks immense?

Pleasure Island knows but she isn't telling. **Flowers** is a delight too according to **Sex Change**. **Bigfoot** reckons **Jakes** are decent too but there wasn't time or the quorum necessary to justify a proper inspection.

Birthday downs to **Beeteroot** and **Silverfox** for the never-ending birthday. It's also apparently **10 Fingers** birthday at some point this year so **Struck F**k** drank for him. **Rabbi** also got congratulatory down down for 100 runs

To celebrate the renewed opportunity to once against donate funds to starving NZ tourism operators, **Heartstarter** proposes a toast to all Kiwi's, although **Sherbet** seemed to be the only one present (where'd they all go?)

In this Day in History was the Battle of Lexington – the first military engagement of the American Civil War. **Chunder** looks a bit like one of the generals on a good day so that was enough for a Down Down.

Awards/Down Downs

HASH AWARD	HASHER	FOR
Hares	Yakkity Yak & Just Clackers	For the great sausage
Small Prick	Ryvita	An indignant Struck F#%K awarded this to Ryvita , who wanted his towel to 'clean up afterwards'
Dummy	Sherbet	Awarded by Heartstarter for not having a drink in the circle
Big Prick	Yakkity Yak	Awarded to Big Foot for stressing about the beer she caused to be wasted and how to clean it up – while By Design just found the mop and did it. She then proceeded to stroke it all night.
Grub Shirt	Ryvita	Given by Pithhead for giving him guff for the size of his penis

Other Charges

CHARGE / S	FOR
The 2 hares	Roots on the Run
Sherbert on Killer	For making new friends on the run. Apparently while On Home pulled into the wrong house, asked for "hash" and introduced himself as killer. As of writing, there have been no new Hashers joining after the encounter.
Heartstarter on Sex Change	Someone didn't come to Hash, very long story about car keys, money and adventures in the mundane. The relevance was lost on everybody but the charge was upheld amidst the confusion.
Sex Change on ByDesign	Not wearing hash gear
Sex Change on Random Sod	for last weeks Trash writeup & trying to close the circle early.
