

BNHHH Run Report 2239

“GETONWITHIT!” sighed **Sherbet** as the icicles dripped from her nose and the rattle from her undercarriage grew louder. It was certainly cooling down after what was a balmy sunset. Those that arrived a bit early could see the bay orange tinged as the sun dipped, as painted by **E.T.**

The circle was coughed into shape and with 0.25secs notice **Jake the Peg** was advised he’s squeezing the pencil this week, yahey!

The hare-roasting began with our **GM** asking the runners what they thought of the obstacle course? **Chunda** deferred to **Ned** who batted it straight back to **Chunda**, love-15. **Chunda**, sitting on the fence and ever the diplomat, declared it SHIT and scored it 0/0. He added that’s all he has to say about it. He went on to say it was 9.4 fucken K. He wondered to **Dog** “How fast did he think he was running?” **Dog** guessed 9.4 fucken K as he was back in one hour! Discourse continued an-infinity about the dangerous bit o’ trail that claimed the nose of **Ryvita** when she steepchased into a root and did her plough impersonation. As of today she’s doing very well under the doctor. The hare had asked how many WC’s on trail, to which **Jake the Peg** stated the whole bloody area is one big dunny.

The stand-in **RA Chunda** continued to roast the hares who argued back that **Ryvita** always hurts herself on his runs.

Dog charged **Ned** for getting way too cosy when, arriving in a busy Warwick, they had to share a room with **Fidel**. **Dog** paid **Ned** \$45 for services rendered. **Mammary Stick** chimed in with an infidelity charge and **Jake the Peg** suggested **Dog** probably humped **Ned**’s leg. They down-downed to the ‘thirty toes’ song.

Shredder was charged for attempting to run. He counter-charged **Pleasure Island**. He introduced himself to her and asked what she does for a living, she quickly replied “Pleasure!”

Rabbi charged **Raw Liver** for ringing him on-trail for no reason.

Announcements- **Flower** shrieked she has had two pricks from the clinic now. **Jake the Peg** announced the **Brisbane Brewery Hash is on 3rd of July** and will be an easy peasy train ride to **Ippy**. Everyone will have had a practice run on the Hashwarts Sip, Swill & Stagger.

Awards –

Dummies went to **Chunda** for arcing up at the hares.

Little dicks went to **Chunda** for arcing up at the hares.

Raw Liver got a charge for forgetting the Grub Shirt. **Jake the Peg** joined her for forgetting the Bow Tie.

Pleasure Island got charged for trying to duck out of a photo and for not wearing Hash gear. To this she unzipped her jacket and, gasp!, thrust her perfectly formed Hash shirt in our faces.
