

Following Dog being abused for trespassing your scribe was worried about these local assertive landlords protecting their property rights so missed 90% of the run as she took the GM into protective custody and escorted him up and down a few hills before safely returning him back to our reliable security guard, Sherbert, a few minutes before the shortcutters, led by Smooth Rider returned. The rest of the pack eventually made it back despite some confusion with the arrows.

Charges

Raw Liver & Strut F##K – plotting revolution in the ranks

Flower – birthday girl (1,000 runs with Thirsty)

Chunder, Cheesecake, Overproof and Sex Change – Olimprics (unable to run)

Killer, Rabbi, Sherbert, Smooth Rider, Ten Fingers – shortcutting bastards

Nokia & Overproof – Failures

Dog – numerous charges including trespass, setting the run from a chariot & birthday boy

AWARDS

Two Dicks - Pleasure Island from Ten Fingers (check the facebook page for the stylish way she uses them)

Grub Shirt – Jake the peg from Ten Fingers

We adjourned for the traditional Dogs roast beef, lamb & pork with roast potatoes & gravy followed by chocolates & sweeties provided by Ryvita
