

## Run 2275- Lingerie-themed Valentine's Day run- Sister Sludge

We are family  
I got all my sisters with me  
We are family  
Get up everybody and sing

And so Sister Sludge's run took place on an inclement, or rather raining cats and dogs evening in the bucolic idyll that is Dayboro. A small and bedrizzled group set off with runners (**Ned** and **Sister Sludge**), Walkers and completely lazy f\*\*\*\*\*s (**Smoothie** and **Mammary Stick**) who got to the end of the drive and turned back.

My funny valentine, sweet comic valentine, you make me smile with your heart  
Your looks so affable, unphotographable, you're my favourite work of art

Yes, this was Valentine's Day, and the theme of the run was lingerie. However only Sister Sludge and Sex Change made any effort at all to meet the criteria. Meanwhile Sister Sludge had pulled out many stops with pink cupcakes, red and pink lollies, heart-shaped chocolates etc. a nice touch.

Back to the run. Well, I have no idea where it went as I turned up late (it took me ages to pour myself into some dodgy shorts), but I would imagine it went up the hill, left, down a hill, around, through some showgrounds, back through the other side of Dayboro then back up the hill. By one account, the walk was 4.3km and all seemed content and were dryish by the time I got there.

Run reporter – **Ned**- 7.5/10

Walk reporter- **Singapore Sling** -6.5 (a perfect score if you ask me)

**Cheesy and Chunder**- taking one for the recent crimewave in Kallangur

**Sex Change**- Being completely dry and being late for the start

**Sister Sludge**- for forgetting the mistletoe to accompany the valentine's day theme ( I know, spurious charge, but you can't give a congratulatory charge for making an awesome effort on Valentine's Day)

**Sister Sludge and Sex Change**- Attempting to meet the dress code requirements but obviously not doing a good enough job

**Others the reason for which I can't remember: Dog, Smooth Ride, Titus, Singapore Sling**
