HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2278

Our band of fearless hashers milled around Arthur Davis Park on the Sandgate foreshore before following S***k concise instructions and headed off into the interior as darkness descended exploring the local mountains before hitting the First Lagoon and returning to base.

The Circle

In the absence of our inglorious GM Rabbi and effervescent RA Sex Change CHEESECAKE guided the apres and then handed over the proceedings to CHUNDER

Run report was given by our virgin hasher, ANAL COPULATOR, from places unknown who was so surprised by the clarity of the markings and the variety of the scenery that he gave it a resounding 6 out of 10.

Walk report was possibly given by VAMPIRE

Visitors:

Virgins who actually put the rest of the pack to shame by running - ANAL COPULATOR & CHICKEN TRUCK

Anniversaries :

69 runs – Raw Liver & Singapore Sling

Returnees :

B - very few of the pack can remember when he last appeared (the lack of hair didn't help jog the collective memory)

Charges :

Ryvita for losing her black bra at the Hash in the Gash (what happens on hash stays on hash so no speculating) again.

B1 for going arse over tit on the run despite being the only runner with a flashlight

Jake the Peg for yet another charge that back fired and was reversed Flower & Tail for absconding from our Hash to the not the Hash Nash in Adelaide Vampire – unrecorded charge

Awards :

Vampire;- Titus finally gave up the Big Prick after many weeks of forgettable enjoyment and awarded it to Vampire who was quite ecstatic to receive it (see X rated photo attached)

B- :- Jake The Peg reluctantly gave up the Grub Shirt to B-

S***K served up a sumptuous feast of fried rice & chicken followed by a fresh fruit & custard dessert
