HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2284 Heartstarter/ Overproof, Kallangur

The umpteenth running of Kallangur H3 saw us back at the aquarium on a sticky old evening. Replete with the noises of domestic internecine disputes, nocturnal neighbourly narkiness and the sweet smell (or stench) of septic receptacles, we set off on another of Overproof's masterpieces, which, in fact, was one he had dredged up from the plethora of prior parambulations produced by the prodigious pair over the piece (you see what I did there? 😊)

With Chunda doing the hard yards and the GM/Hash Trash/ stand-in Song Mistress limping along behind, the pre-historic pair did a remarkably well-marked loop complete with more checks than a chess grand-master, some interesting views of the Kallangur suburb, a good trot along Dohles Rock's Road, a close up inspection of the Kallangur train station etc. It was so well marked in fact that even **Chunda** didn't expend an extra 2km this week following the wrong trail.

There was little interest in the circle, despite the efforts of the comedy duo, though this was more due to the absence of **Ten Fingers** as there were less people to poke fun at, and the anticipation of **Heartstarter's** vegetarian lasagne and low sugar fruit pudding than the lack

of humour. Still, the charges were sufficient, and included a special mention for the mansplaining **Overproof**, trying to oversee the cooking from his chair while **Heartstarter** slaved over the cooking. Shame on you! **Pleasure Island** obviously got lost and ended up at hash, and **Long Time Coming** and **Wrong Way** were their usual rowdy selves.

An enjoyable evening with the added bonus of passionfruit and chillies from **Heartstarter** and Chillies from **Yackety Yak** and **Just Clacker**

Scores on the Doors

Runner - **Chunda** -6/10 (great score. Note to others, positive scores are not good! 😊)

Short-walker **Ryvita**- 2/10 (almost too kind)

Long walker **Cheescake** -5/10 (excellent score)

Charges

Killer- couldn't remember that he's been at last week's run or the AGPU

Overproof- mansplaining to **Heartstarter** no about how to turn gas off

Ryvita- Having to betold about the birds and the bees- in relation to pumkins

Pleasure island- interrupting the GM on important hash business and playing with a little knob.

Vampire + Overproof- returning from their suspiciously serendipitous and synergistic infectious bouts

Yackety Yak- nearly wetting pants trying to make her ass hurt (accompanied by **Heartstarter**)

Wrong Way and **Long Time Coming** for disrupting the circle with their excessive noise

Awards

Big Prick- **Chunda** to **Overproof** – not sure what for

Note: where the f*** are the rest of the awards

PLEASURE ISLAND

In North Lakes does Pleasure in her
pleasure dome reside
She may have a cavern bottomless to man
but I suspect no one will see inside
She had a penchant for a gigolo to help
her trim her unkempt bush
But the misplaced macho manbag didn't
even touch her touche

Madame plaisir apporte un peu de je ne
sais juste quoi
Her erotic intonation makes me feel quite
ooh la la
I'm not alone I quite suspect but of course
ask I just dare not

To give us factual evidence of the treasure
she has got

Now don't be fooled by sweet mien and
that bit of laissez faire
From her casual mots de jeux you might
think she does not care
But beneath that calm facade there is a
tiger in her tank
And if you're ever on her table you may
just get aspank
For suggesting that our pleasure would act
with impropriety
Though Her wrists of steel allows her to
use her hands most skilfully

A few songs to add to the collection

1. **Dough, the stuff that buys me beer**
(to the tune of Doe, a deer)

Dough, the stuff that buys me beer
Ray the guy who buys me beer
Me, the guy who drinks the beer
Fa, a long way to the beer
So, I'll have another beer
La, I'll have another beer
Tea, no thanks I'll have a beer
And that brings us back to down, down, down

2. **We had joy we had fun** (to the tune
of 'Seasons in the Sun' by Terry Jack

We had joy we had fun
We went streaking in the sun
But the cops had taser guns
And they shot us in the buns
