HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2285

The Motley crew (not the band) of alleged runners assembled at Grinstead Park (temporarily closed) Stafford some before the late commers and none after. For a run, amble or walk around Shand street park, Everton Park state high school, West Stafford Indian grocery, and then into the scrub on Saprks hill up and down hills, through all the rubbish and back down to Kedron Brook. Then under Shand St. and back to Grinstead Park which was still temporally closed.

The Circle

In the absence of our GM Sex Change and effervescent RA Just Clacker, Stand In GM CHEESECAKE guided the apres and then handed over the proceedings to lookalike RA CHUNDER

Run report was given by our Favorited hasher FIGJAM, pointed out the hair raiser should know better and put in Re-Groups, apparently, he was going to reward him with the high score of 2 out of 10 but because Jake couldn't shut up he downgraded to 6 out of 10.

Walk report was given by Heartstater who hates hills and gave Jake a sh1t 7 out of 10.

Visitors:

X Files and another Harriett with dog from Sanfford (no relation to Dogs) and Rabbi's very good friend who he left in the scrub.

Anniversaries :

50 runs – Our very favourite and well-loved B1

Returnees :

RA forgot about them

Awards :

Titus;- reluctantly returned Grub Shirt only to be re-elected as it carer for another week(maybe next week he'll wear it on the run)

Charges :

X-File imitating a Hasher another, last we ran from this place our dearly departed Wrong Way got charged for her GPS getting her lost. X-File tried to use exactly same excuse on this occasion.

Smooth Ride attempting to introduce sexism to hash very loudly berated innocent Figjam and B1 for not paying but spoke so calmly and nicely to her fellow visiting Harriett's.

B1 as He called the ON-ONs so loud the RA was concerned of his vocal cords failing and excused him form calling ON-ON again and the RA requested a big Hash Trash (blind bastard)

Ryvita and Titus for assuming they could out joke Ten Fingers FALIED

Rabbi's very good friend getting lost in the suburbs of Stafford

S*** F***** for wandering off and getting a coffee without one for the GM.

Jake the Peg for yet another charge nobody cared about?

That's all that the author remembered being a good little hasher he refrained from using technology in the circle.

Tail served up a sumptuous feast of veggies & chicken followed nothing for dessert.

Good Run, Good circle, Good kai, Good night
