HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2288 Hot and humid in Harrier Haven with egregious election elocution

Ryvita and Jake the Peg, Kallangur¹Yes, another run at the locality of the Kallangur H3 saw us gather chez **Ryvita** for an impromptu offering by **Jake the Peg**, caused by the demise of the diseased delinquent that is **Dog**. Ryvita demonstrated her adherence to natural selection against all those over 4ft 11inches by making us move through a garage door that was built for Hobbits in order to pony up the cash.

The number of runners had swelled to 5, with the return of **Sister Sludge** from her exotic expedition to Thailand, and old man **Chunda** proving that having no hamstrings does not preclude those who are determined. Sadly, as ever, injury struck this feeble

scribe, and the pack was reduced to 4. Of note, **FigJam** turned back the clock with some front-running reminiscent of, well, **Figjam** with good knees.

Apparently, the run crossed 8 lanes of the Bruce Highway, with the most difficult bit being the route through Ikea where no false trails were necessary as its such a f***** confusing place. Having crossed through the suburbs of North lakes, Narangba and Bribie Island, the run returned tamely to the serene, sedate suburb of Kallangur. Ironically, a few walkers (**Heartstarter, Clacker, and Yackety**) got lost while discussing the latest camping equipment and craft beer, and delayed the start of the circle for so long that **B1s** jokes had sent **Boxy** into paroxysms of despair.

We then walked many miles into the lush paradise that was **Ryvita's** back yard for a glorious recollection of erroneous efforts, ribald renditions, pathetic political posturing, and of course ambitious attempts at affrontery by awarders and awardees. This was all capped off by admissions by **Boxy, Singapore Sling** and **Titus** of their admiration for the radical red-headed rocket from Ipswich, who shall be nameless but who is rather more divisive than One-Nation. It was also **Titus'** 97th birthday (well 72 actually 😊, but lets just embellish) for which cake was dutifully dispersed. **Vampire** also baked up a storm with her coconut roughies and other slice, thus proving that you can't have your cake and eat it, but you can have two cakes and eat one

(# ©**Sex Change philosophy**). Chicken chasseur, garlic bread, noodles and salad capped off a fun evening. Thanks to **Ryvita** for hosting. Next week, off to 121 Rivergum Drive, Burpengary for a **Figjam** and **B1** run.

Scores on the Doors/ Walk Run reports

Walker- **Yackety** 6/10

Runner – **Sister Sludge**-6/5 summarised as follows:

Total score- 0/15²

Returnees

Sister Sludge- Back from the wild blue yonder of lady boys, elephants and the Bangkok Hilton

Killer- not seen since drying out his house for months since his somewhat precipitant run

Sherbet- Got lost on the way to hash and only emerged tonight

² Note to hashers: a low score is generally more acceptable than a higher one on the basis that if you haven't annoyed some hashers then you haven't done a good job.

Charges³

Yackety- for effervescent and electrifying verbal exchanges, something for which she is widely known and regarded

Heartstarter, Yackety and Clacker- spending too long discussing camping equipment rather than getting back so we could get the circle started.

Boxy- succumbing to **Ryvita's** death trap of a garage door on the forehead (accompanied by **Sex Change** for failing to negotiate the run sans injury)

Sister Sludge- who the f*** is 'dad'? charge

Boxy- being outed as admiring said politician, and **Titus** for admitting that he thought she was 'hot' (note Boxy's best angle is from the back)

Singapore Sling- sympathising with Titus

Struq- camping overnight at the wrong Kallangur address in Lawnton, having failed to read the trash

Ryvita- managing to exchange her well-worn-out box

StruqFuq- not resourcing the first non-alcoholic hash in the world with enough Soda water

Clacker- Assuming that he is more infallible (see what I did there?) than the infallible GM and not accepting an award when imposed upon him

³ Apologies if I've forgotten some. It was 12 hours ago, after all.

Awards

Shut the F* up Shirt** – Well, this went from **ET** back to **ET** for not wearing the shirt during hash. Following an exposition of the rules of the shirt from **Chunda**
Large wooden weapon- went from **Figjam** to **Clacker** but thankfully then to **Titus** for his admission of his more youthful yearnings for said red-headed pseudo politician

Two smaller things went from **Singapore Sling** to **Killer**
