## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

## Run 2289 Down, wet and Dirty in Burpengary- A B1 Odyssey B1 and Figjam

Yes, I know its late. Soz bros and sis'. Well bugger me with a fishfork, we get further North every week. Sigh! Anyway, I could talk about how good the run/ walk was, but as a) I was late and b) I couldn't run anyway, I thought I'd rather insert some photos of my current trip to CapeTown via Singapore. But don't worry, we'll get to the run. Also, there is a nexus in so far as I had a Singapore Sling in Singapore. (see what I did there?!)

Now this photo is in fact table Mountain on a lovely day, not Burpengary. Note the difference.

So, to the walk run. It was wet, and quite short apparently. Very grateful to B1 and Figjam for putting it on at short notice. I like the cut of their jib, which is quite coincidental as Figjam had more jibs than the Sydney to Hobart fleet stored in his oversized barn. 😊 And yet, it seemed to be well received, as was the chill con carne (apologies if it was spag bol. Sometimes hard to tell the difference).

### Stand in RA

Today's rotation saw ET take the reins or was it the reigns? Great job from ET Perhaps the real RA will not wimp out because of the weather this week.

### Run/ Walk Report

Cheesy-2/5  
Vampire 2/10

An appropriate total of 0/15 well done run and walk reporters. Good to see Cheesy not feigning injury any more.

### Charges

- **Ten fingers-** couldn't be bothered coming to see us at Ryvita place. Too busy at choir or something

- **Singapore Sling-** This week's fail for being a Pauline Lover
- **ET and RA for Clacker.** Couldn't be

bothered coming as it was too far and wet. live further away. Just saying!
