HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2293 Flower Power takes little more than an hour Flower- Bridgeman Downs

Awesome run, well set and accompanied by the heat and smoke of a firepit, the heat of a chili con carne (and chicken casserole), and of course the humour of Bill and Ben the Flowerpot men, aka GM and RA. TBH it was great to have a run that didn't confuse too many people **#Overproof**, no-one got injured **#Sexchange**, wasn't too far North **#thisisnorthsidehash**

Reports

Run Report- Cheesey- Blah, blah 0.2/10

Walk Report- Heartstarter- got her back to pash **Overproof** for the 32nd time in their lives 1.5/10

Charges

Heartstarter and Overproof- Public displays of affection for the 32nd commiserationversary

Figjam- Being a dickhead somehow (isn't that normal?- Ed)

Figjam and B1- Better late than never charge

Clacker- Going to Court and being treated as a vagrant- only to let the judicial officers know that he was on jury duty

Ryvita- 'Bent double like old beggars under sacks' the Wilfred Owen charge while stumbling across the street

Figjam and B1- Holding us up at the start, and I don't mean with a gun!

ET- Calling the GM a prick last week (well, y'know, sometimes) and then apologising even though the GM couldn't remember said castigation
Overproof- failing to check a few feet and hence missing very obvious markings
Dog- mistaking On Heat for To and From (I think this is way out there and very Freudian!)
Dog and Cheesy- No dobbing on hash!
Clacker- sadly lacking in hash haberdash

Awards

Two Dicks- awarded by **Killer to B1**
Shut the F* up shirt-** awarded from **Yackety to Overproof**

Late Charge

Smooth Ride- Name-dropping and making us realise she has an awesome life jet-setting.
