HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2295 He's a Yankee Doodle Dandy, born on the 4th of July

Clacker and Yackety- Lawnton

I wish I was in the wilds of Lawnton
 Following trail so I always be wantin'
 Lots of beer, Lots of beer, Lots of beer, Lots of beer!

This special day in the Yankee Doodle Clacker calendar was marked by the 4th July run chez Yackety and Clacker, possibly for the last time. Twas a cold but clear night and the fire raged in the hearth. Nary a sound was heard as the hare regaled his devious intentions. He thence set forth the gathered throng to embark upon a dastardly trail, which for some was so vexing as to cause them to tarry greatly and thence delay the great circle.

Whilst many returned unscathed, and indeed **Pleasure Island** returned to hash, others: **Dog, Wrong Way, Long Time Cumming** clearly decided they wanted a long walk and the search party was about to saddle up whence they returned across the great divide that is Lawnton.

Special 4th July themes included: **Jake the Peg** (is that a gun in your pocket or are you just please to see us?! It was a gun!); **Flower** (all cam'd up and no-one to blow-away!); **Tail** also came dressed as either Florence Nightingale; the wolf in Little Red Riding Hood or a Nun (we couldn't work out which).

We (well at least the RA and GM) had a good time, and therefor by default everyone else must have had a good time. The witty comments raged, the RA received his score via a 4th of July quiz (he got 2.5/5). The beer/ soda water flowed and thence came the Tex Mex: Chilli con carne. Im sure it was lovely.

Another great day at the office
