HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2302 Killer sets run despite many hills and chalk shortage

Killer, Everton Hills

Seems a while since I last penned a hash trash, and much has happened. Take, for instance the Hash 2300th a few weeks back. Luckily theres a photo or two because there was no hash flash for Killers escapade in Everton Hills on Monday Night.

Note confirming whether we were doing the 'A' or 'B' route, Killer cunningly set off a few runners and a small number of walkers on what Edward Elgar would have termed the 'Enigma Variation'. Up hill, down dale, up another hill, down another dale, we tiled through the dark Everton Hills moonscape, seeking any inkling of trail. It was clear Killer had used his electric bike as the gaps between markings on the downhills were significant. Still, we all got where we needed to be and it wasn't raining, and Killer's truck hadn't gashed up his front lawn etc.

Despite the small pack, we had a bit of fun, and even a few reasonable jokes from: **B1, Ten Fingers** (I cant believe I just said that!), and **Singapore Sling**. Hash mash included copious amount of Chicken

and Chips, with some of the chicken crusted up with bicarb, and the latter cooked in a pizza oven. Such ingenuity.

Reports

Run Report- **Cheesecake** – suggested that there were no hills and it was well marked. Must have been different from the run I was on etc- 3.5/10

Walk Report- **Vampire** really enjoyed it, for the first time ever wanted a short one and still got a long one 2/17

Charges

Killer- Managing to set run despite chalk shortage

B1- Smoothie award for self-promotion

Vampire-took out her trash but forgot to write last weeks trash

Dog- hashus interruptus with mobile phone.....twice

Awards

Shut the F***-up shirt- from **FigJam** to **Dog** for said unwarranted technological intervention during circle

Announcements

- **Flower** related the news that **BigFoot** was quite unwell in St. Vincents Northside. We continue to think of **Bigfoot** and **SilverFox** and are grateful that a small number of hashers are able to support them both.
