HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2303 Titus reverse route roots soft-cock hashers

Titus, Dayboro

Oh what fun we had: we laughed at many peoples expense; we suffocated, due to the smoke emanating from the green firewood; we abused Overproof for his insipid efforts on the latest iteration of the Cheesy Challenge; and we laughed some more at the bananaless **ten Fingers** whose misfortune extended to neighbourly usurping of a bunch from Ten Fingers' overhanging tree. Ah, the injustice of life.

It was a dark and cool night out in the stix, but a healthy number, inured to the long distance travel, turned up at the Don of Dayboro's rural throne.

Titus a rats arse, Titus groans
 The Ghormenghastly Titus moans
 From Zambia's dark mining towns to Australia's verdant zones
 The Don of Dayboro sits atop his leafy rural throne

Avuncular and jocular he wears a red dress well
Fastidious and garrulous some stories he can tell
Of Africa's dark continent and all its highs and lows
Of poaching, smuggling criminals and how they came to blows

Where hash name Titus comes from some can tell but perhaps not many
He accounted coins for big concerns down to the last penny
And now replete with daughters sweet he spends his later years
An accountant, not the violent type, a job for yester year

Who knows what itchy feet the new year it may bring
or will the lure of travel inject its addictive sting
Such time and space cannot replace the vastness left behind
But Titus adds refinement to our circle clandestine.

Up hill and down dale we meandered. Who would have thought that such agreeable and handsome residences existed in woop woop, but there you have it. The GM led by injury free example with **B1** loping behind probably telling some inane jokes. Anyway, a large circumnavigation of the mean hills of dayboro had us back lickety split at **Titus'** residence where **Purple Bush** produced some awesome boerwurst which at least kept this scribe very happy.

The circle did go on a bit but with so many tales to tell and charges to regale, it was more fun than not. Good to see **Ryvita** back in the saddle and potentially soon on the scooter. Visitors in the form of **Noodles** and **Latecomer**, otherwise known as **Titus'** potential son-in-law and daughter respectively were in attendance. Loads of fun and I assume some great hash mash.
