HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2329 Steamy Sandgate

Struq Fuq

Well tickle my ring with a feather duster if we didn't find some new trail, instead of the well worn path through the wetlands. In all honesty, a pleasure, though quite warm. A well set run with a surprising number of regroup (clearly we are getting on a bit and need more rest stops), and mostly flat apart from the usual vertical hill that is Wolsey Street. It was this speedbump that stymied the enthusiasm of **B-** whose ambition to parambulate with rapidity outweighed his stamina.

Around 6-7km but with new terrain and a pleasant run along the seafront into a South-westerly, the run was enjoyable. It was of course followed by an amusing circular interlude, with **B1** standing in as

RA. Bangers and mash and peas finished off the evening, another amendment to the tried and tested chicken. Who says you cant teach an old dog new tricks.

Run/walk report

Run report -**B-** gave it a 5/10- Pretty f***** generous if you ask me

Walk report- **Pounda** gave it a -4/10 to add a touch of common sense

Returnees

ET and Singapore sling- missing in action for all of 2 weeks

Charges

Cheesy- letting it all hang out at rest stop and giving the GM an eyeful

Fig jam- Wearing some artificial aid that resembled the bionic man, except it did not make him faster than he was before

Illegally blonde – having 11 runs thus resembling the Bingo call of Legs 11 and then by extrapolation- ‘dinner for 2- 69’

B- running too fast too soon and going backwards up a hill
Heartstarter/ fixing aircon while it was running, and shaving some bits off 2 important fingers
Jake the Peg reverse charged for spouting some frivolous and inconsequential s***

Illegally blonde and dog- IB got her sight restored which made us all wonder why she was still with **Dog Ten Fingers** reverse charged for something
Cheesy, Chunda and Pounda- Disrespecting the stand in RA by talking s*** while he was launching into a charge

B1- Failing to speak English, Australian or correctly while trying to charge **B-**

B- Lost property

Awards

Give the ? a boner- From **B1** to **B-**
Spit the dummy- From **FigJam** to **tail**
Big prick- **Dog** to **ten Fingers**
Two dicks- went to **heartstarter** for her aircon antics

STFU Shirt- in **Sex Change's** drawer, still smelling fragrant
Little p*k- ?**
