HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Sex Change- Northgate

Communication let me down

And I'm left here, I'm left here again (Spandau Ballet, 1983, from the Album 'True')

FFS. Who would have thought that in a town the size of Brisbane that 2 hash trails could coincide on the same evening. Still, what miserable bunch of c**** would mark a trail in the opposite direction to and in the same colour of gyprock as one that was already laid? Answer, some f***** up pieces of s*** who couldn't use their own initiative to either a) find another trail or b) even mark it on the opposite side of the road. Such was the chaos that ensued last night when Sex Change's trail, laid at 0500 yesterday, was overlaid by one from Brisbane hash. The end result was immaterial, but just to be serious for a millisecond, FFS, have some f*****courtesy you c***s.

An awesome trail over the Virginia Station bridge, into Virginia Golf club then back into downfall Creek park, then heading towards Chermside, was foiled both by the interruption by the other hash and also the incompetence of runners: **Ned, B1 and Figjam** to follow trail. Still, at least they found the checkback. All returned after about 45 mins which was some compensation I guess.

The evening saw a couple of Northside Virgins appearing: **Strong As**, a local living lass re-located from Sunny Coast, and **Greasy Box**, trying out BNHHH for the first time. Full marks to **Greasy Box** for sorting out **Sex Change's** bathroom conundrum. **To and From** also meandered along from his Northgate hideaway to record his 1585 run. That is a lot of runs.

A curious discovery was that the soon to be proffered chicken schnitzels were found, once the micro-hieroglyphics were decoded using the rosetta stone, to contain a poultry (see what I did there 😊) 19% chicken. FFS Coles. I'll be seeking redress for false advertising. Meanwhile the beefburgers contained 79% beef (so what was the other 21%?), and the veggie burgers contained 100% cardboard. At least they were honest! Anyhow, they all got scoffed, with **Ryvita** going back for 3 or 4 helpings.

All in all, a successful evening in so far as everyone got back, got fed and weren't too unhappy. But really, what a bunch of c***s are the Gay Hash.

Run/walk report

B1- way too complimentary, 2/10

Strong As- living locally and looking to run, previously at Sunshine Coast H3

Greasy Box- Talented tiler trying to titillate Ryvita

Sister sludge (in absentia)- for leaving early and with an award- **Ryvita** lookalike- an awesome resemblance

Singapore Sling- calling the Men's Hash elite runners

ET- worst story ever

Sherbet- better never than late charge and ingratiating insidiously into the inner circle

Illegally Blonde- Thing this was another **Sister sludge** lookalike, accompanied by **Dog**

Killer- lurking dangerously

Awards

Shut the F* up shirt**- Sister Sludge kept the award as she.....kept the award

Boner award- Chunda to Ned?
