HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2335- Another meander down by the Creek

Ned- Albany Creek

Always a pleasure to attend the God-bothering neighbourhood that is Augusta Ct. so many holier-than-thou neighbours that one always has to be careful of the songs sung and ensure that they are appropriately bawdy and fit-for-purpose. So many subdued hashers, and of course several sans illuminating devices (more later), and of course heading towards Autumn (whenever it cools down) such that the light is not at its strongest at that time.

Off we meandered on a circuit of the environs. I cant remember if we'd done the same circuit previously, but suffice to say that this time there wasn't a check back at the bottom of the first hill. Thus, a bonus for the runners: **Cheesy, Chunda, FigJam and B1**. Joining, as I did, the front-running walkers, the parambulate was circuitous, incorporated some off-road toad-strewn trail, included the dense urban enclave that is the 'Creek and made its way back safely to the (more furnished this time) residence of Cap'n Ahab, or ned as he is better known.

The usual high-quality circle ensued, and with **smoothie** the itinerant returning from her latest escapade, we were sure to have some stuff-up with run counts. No disappointments there 😊

Cant say what the hash mash was like but the satisfying sound of silence that suffused the simpering sea of senile sycophants spoke to the tastiness of the tucker. A grand score of 0/20 from the walk and run reporters confirmed the suitability of the exercise.

Run/walk report

Fig Jam- whining about the trail marks being too far apart -2/10

Dog – False trails and a few hills 2/10

Sex Change- lending **Chunda** a torch that worked intermittently (sigh!) and **Struq Fuq** for having similar problems.

Smoothie- not regaling us with details of her next trip

Ned and B 1- failing to cope with wildlife, i.e. failing to rid Albany Creek of the amphibian pestolence
With a running problem

Ten fingers- looking like he's gone a few rounds with Kosta Tzuyu and losing, and **Fig Jam** for falling over a root

Chunda falling out of truck

Sex change- coordinated shoes and shirt

Struq fuq being over enthusiastic with an anonymous femme fatale on trail and reminding them that we are a drinking group

Greasy and Ryvita- getting intimate on trail and shining their torches at **Struq Fuq**

Illegally Blonde- failing to remain in the kitchen

Awards

Stfu shirt- Once again, **Titus** bore the brunt of the sins of the daughter **Sister Sludge**
 Bone award- **Pounda**- can only do it going down
 Two dicks- **Ned**

Song for another day (to the tune of Jingle Bells)

Toohey's New, Toohey's New
 Toohey's you're a prick
 Every time I drink too much it makes me really sick
 Toohey's New, Toohey's New Toohey's you're no good
 The last time I had too much
 I couldn't get no wood.
