HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2347

Hare's - Pounda & Beat-a-Root

A good crowd gathered in Pounda and Beat-a-Root's driveway in suburban Lawnton for the run of the year. Most ensuring that they got a good spot around the fire pit that Dog eventually got going after Pounda's failed attempt.

At 6.30pm, Pounda called for quiet and gave the run instructions. He said that due to the rainy conditions on Sunday, he was unable to set a run or walk. This was despite attempting it three times before he gave up. So the instructions were that it was a live Hare for both the run and walk, with Chunda to lead the run and Pounda to lead the walk. Out the driveway and turn right was the call, allowing most Hashers to go about 30m before calling everyone back. Ha Ha, got you all with a false trail without there being any trail.

With Chunda and Pounda pretty much MSUing (making shit up) on the trail, everyone made it back safe and sound with no injuries this week.

Everyone was treated to one of Beat-a-Root's legendary dishes with a starter of pumpkin soup with sour cream and sour dough bread to feed the hordes before the circle.

Our GM then called for quiet and Tail gave the run count with one notable milestone run for FIGJAM (more on that later).

As this run was Pounda's birthday run, Chunda called for Pounda and the other June birthday baby (Tail) to get in the circle. Also seen as how Pounda's twin brother Radar was not present, he called for a Radar look-a-like to be appointed. He scoured the candidates and eventually decided on a younger version in B1. All three were given a chocolate cupcake with a candle in it by Beat-a-Root.

Just at that time someone's phone went off in the circle, so Illegally Blonde was called in and given a cake as well for her indiscretion. A special birthday song was sung by Flower for the occasion and Pounda was given a birthday card signed by all.

FIGJAM was then given a BNH3 pin for his 300th run and told to get a life.

FIGJAM was then asked to give the run report – out the front and runners go right (he was upset that he fell for the false trail). He thought it was a benevolent run because the first time he got caught out and missed the trail, he said to the GM that he missed the trail mark with the right turn (you knobber, there was no trail). He then got caught a bit later on with another nonexistent false trail (sucker). Other than that it wasn't too bad of a run with well-marked trail (B1 managed to produce some chalk and marked the trail as he went, good on ya B1). Score was given of 2 ½ out of 10.

Vampire was then called to give the walk report – she said that as long as we stuck behind Pounda it was a good walk of 4.78km which was just the perfect length and was given a score of 1 out of 10. Pounda was then a bit confused as he had never heard a woman say before that is was a perfect length.

Retuning runners were then called for and Beat-a-Root was called forward and asked what her excuse was for not coming to Hash. Her reply was that it was the only night she got off from Pounda.

Charges were then called for as below.

Charges	Awards
Jake the Peg – charged by Ten Fingers for chair abuse. At Chunda's place on Friday night for the committee meeting, he managed to destroy a kitchen chair with his big ass.	Big Dick – Sherbet still has this and was missing in action. She must be enjoying it too much.
Illegally Blonde – charged by FIGJAM for not only having technology in the circle, but when it did go off she ran around trying to get other Hashers to switch it off for her. Like we know how to do it.	Two Dicks – Jake the Peg had this and made the mistake of saying that he hadn't thought about a recipient for this. The RA then said that he can keep them.
Ten Fingers tried to charge Illegally Blonde for something about dog's and soup, but it was very quickly reversed and he had to take a drink for his own stupidity.	Grub shirt – Wrong Way had this and had to take a drink as he forgot to bring it.
Vampire – charged by Jake the Peg for waiting nine months for a delivery. No she is not expecting a baby, but is finally getting her new car.	The Bone – awarded to Killer by Dog for doing good deeds and keeping two of the three dogs at Hash under control.
Wrong Way – charged by Pounda as he lives approx 300m away as a crow flies, but still drove to Hash.	

Hash Mash was then served up by Beat-a-Root. Shepherd's Pie with Vegies, followed by desert – very delicious.

Also a special mention for Ryvita for last week's Hash Mash, was very tasty.
