## HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

### Run 2348

#### Hare's – Ten Fingers (with Chunda)

A small bunch gathered in Ten Fingers back yard in Kallangur for another Ten Fingers special, and special it was. Ten Fingers had the fire pit going to ensure our hardy bunch didn't get cold.

He also enlisted the help of our beloved GM Chunda to be a live Hare and he set off about 10 mins prior to ensure that no one caught him (he wasn't going to lose his pants tonight).

#### The Run

At 6.30pm, Ten Fingers called for all to be out the front to give the run instructions. Live Hare he said, see if you can catch him and they were off.

Ned, B1 and FIGJAM doing their best to try and catch Chunda, but he was too fast for them.

#### The Walk

The walkers started off at a cracking pace as well and it soon wasn't long until there was a small group of 5 walkers (7 if you count the 2 puppies in tow with Dog) to do the full walk. A couple other walkers went for a good walk but then decided to turn it into a letterbox walk and head for home.

Everyone made it back safe and sound with no reported injuries (Cheesecake is still being kept in check to ensure his dodgy calves get better).

## The Circle

Our GM then called for quiet and asked Tail (I mean Flower) to give a run count.

He then called for Ten Fingers and himself to be in the middle to face the wrath of the mob.

He called for Ned to give a run report – Ned said that it was bloody fantastic with marks everywhere, regroupings and sometimes arrows too close together. He gave it a score of **3 out of 10**.

Ryvita was asked to give a short cutting bastards report – She said that they followed the arrows for somewhat and that they knew their way around. They had a chat to a few people including some young fellas that had lost their mobile phone. Ryvita saved the day when she found it. Says a lot for young eyes doesn't it. That's the excuse that Ryvita gave but we know she was just chatting up the young ones. No score was given although it should be 3 out of 10. One point for each of the young fellas Ryvita was trying to chat up.

Dog was asked to give the walk report – Dog said it was pretty good although he did have to pick up one real sloppy wet dog shit (would've helped if he brought a bag for it instead of using his hands). He gave it **2 out of 10**.

Retuning runners were then called for and Beat-a-Root was called forward and asked what her excuse was for not coming to Hash. Her reply was that it was the only night she got off from Pounda.

Charges were then called for as below.

Charges	Awards
Ten Fingers – charged by Pounda for outsourcing everything for tonight's run. He outsourced Chunda to set the run and his wife to cook the Kai. He said that he lit the fire but there was no evidence that he even did that.	Big Dick – Sherbet gave it to Ten Fingers because his neighbor abused her for parking on the grass.
Sherbet – charged by Pounda for turning up after everyone had let to go on the run/walk. She tried to say that she had to work, likely excuse.	Two Dicks – Jake the Peg gave these to Killer for not volunteering to do a run. It is Killer's run next week mind you.
B1 – charged by FIGJAM for trying to imitate him by running backwards through a gate. The apple doesn't fall far from the tree.	Grub shirt – Wrong Way still has this.
Jake the Peg – charged by Pounda for telling the RA to F/Off (he didn't actually say it but it was implied) when he stopped on the way to Hash to offer him and Snake Charmer a lift.	The Bone – Killer gave it to Ryvita for over indulging at Bribie Is with a few too many wines.
Vampire – charged by Ten Fingers for taking possession of her new car (it's a Hybrid so it's only half a car).	

Hash Kai was then served up by Ten Fingers wife, I think it was corned beef and vegies but I may be wrong. Too much water has passed under the bridge in the time between Hash and writing the Trash.
