HASH TRASH

It is a truth universally acknowledged that the hash trash never lies. What you are about to read either has happened, is happening now, or will happen at some time in the future. Or nearly, anyway.

Run 2349

Hare – Killer

It was a very cold June Monday night when a small crowd of 12 gathered in Killers garage in suburban Everton Hills. There was no fire pit this week, as Killer couldn't work out how to have a fire in his garage without burning the house down, so everyone had to keep warm with multiple layers of Hash clothing.

The Run/Walk

At 6.30pm, Killer called for everyone to be out the front where instructions were given and the pack was off, trying to move quickly enough to warm up as fast as they could.

Up and down and up and down the hills of Everton Hills we went, with everyone making it back to the safety of Killers garage, where we became a group of 13 with Sherbet coming in after we had all left on the run, something about working again.

The Circle

After some refreshments were consumed and everyone had their fill of potato chips and little boys (cocktail frankfurt's) the circle was called for. Our illustrious GM Chunda was MIA (something about a sore throat – waiting on COVID test results), so the RA Pounda bravely soldiered on as GM with his trusty sidekick Cheesecake standing in as RA. Killer was called to the middle of the circle to answer for his crimes.

As there were only two runners this week, it was a tough call on who would give the run report. One of them was Strong As, and as she is still in training mode of how to give a run report with more than two words, it was decided that she could learn for another week from a Hasher who isn't afraid to speak some bullshit in Why Not. He said that we went out the gate and it was all downhill, until it wasn't and then it went up and up and up with a little bit of flat bits and then we were back.

All in all, an excellent run and scored it **2 out of 10**. A point for each flat bit.

To keep it in the household (we just don't know whose household), Bitter Relief was called to give the walk report. She said at times she felt like she could see the sights of the city as she was so high after walking up a hill but she was disappointed as there were no city views. And because Killer had hurt Flower's hip by making her walk up so many hills there were points deducted for that. She gave it a score of **11 out of 10**.

WTF, I think Why Not needs to conduct some more training with Bitter Relief.

Cheesecake then had to reel in the stand in GM (told you he was a trusty sidekick) as he had forgot to get the run counts from Flower. It didn't take long as there weren't many attendees this week, although she did forget Cheesecake and was very quickly reminded of this.

Returning Hashers were called for to come forward and explain their disrespect for Hash by not turning up each week.

Titus – He said that he has been away. HELLO EINSTEIN. He said something about a cruise.

Bitter Relief – said that she doesn't cum as much as she should. I'm leaving that one alone.

They were given a song for their lack of attendance and sent on their way.

Charges were then called for as below.

Charges	Awards
<p>Killer – charged by Dog for organizing a live band to play some music for us. His neighbor across the road was rocking the tunes away.</p>	<p>Big Dick – awarded to Titus by Ten Fingers for going on a cruise with Killers wife and having an argument about who was on who's cruise.</p>
<p>Why Not – charged by Cheesecake for not falling into any garden beds. For those that weren't at the Tri-Beer-Athon, Why Not managed to conduct a slow motion and very graceful dismount over the handlebars of his bike as he attempted to go through a garden bed.</p> <p>Garden Bed – 1, Why Not - 0</p> <p>Flower had to join him as she ended up face first in a garden bed while in Perth for Freo's 1000th run.</p> <p>Garden Bed – 2, Flower - 0</p>	<p>Two Dicks – awarded to Dog by Killer for complaining that the walk wasn't long enough.</p>

Pounda and Vampire – charged by Pounda for being the only two who actually read last week’s Hash Trash and looked at the FB page and remembered to wear their State of Origin footy gear. It’s just a pity that Vampire was wearing the wrong color in blue.	Grub shirt – Wrong Way still has this.
Cheesecake – charged by Bitter Relief for marking his own trail on the walk. This was very quickly reversed by the GM and she had to take a drink.	The Bone – Ryvita still has this.

Hash Kai was then served up by Killer with a feed of spag bol.

Next Week’s run – Run No. 2350 - 26 Jun 23.
